## Foreword

This is the story of an academic year at Wofford College. It is the story of buildings and playing fields, of classes and activities. Most of all, it is the story of the 600 men who worked and played here from September, 1955 until June, 1956.

Pictured on the left are a few of these men. The picture itself is posed; the idea that it conveys is as natural and unposed as any phase of college life can be. Wofford is a liberal arts school, and the "bull session"—as depicted on this end sheet—is an important part of the education that she has to give. Students, like faculty, have much to say that is worth the hearing.

In the better-than-200 pages of this 1956 BOHEMIAN, we have tried to record all of the other activities and ideas that were Wofford during the year. We realize that we have failed to do justice to many phases of life on the campus, but our camera has its limitations and we ask the reader's indulgence.

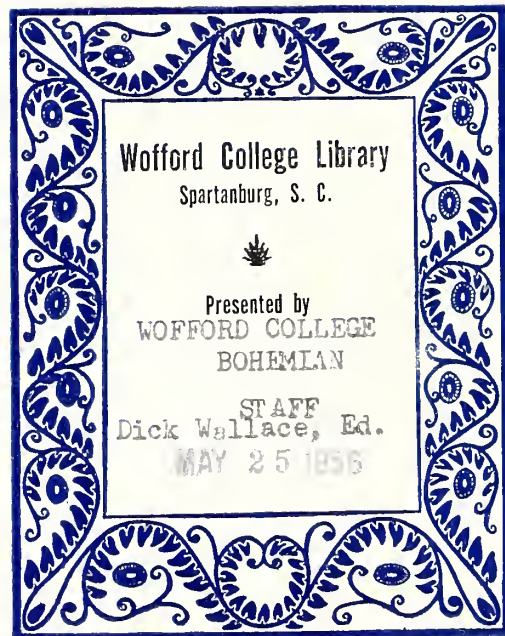

These are our efforts—and this is Wofford, 1956.

# This, is the Campus...

*"Old Main"*

*Main Gate*

*Greene Hall*

*Dupré Administration Building*

The heart of the campus and the Wofford physical plant is the Main Building. Old Main, designed by Edward C. Jones and built in 1851, was the College for many years. Tradition has it that the workmen were Negro slaves and during construction the west tower collapsed and killed one man. The same old tale also states that the mud bricks of the inner part of the walls were made and dried on what is now the front lawn. Walls have collapsed and years have come and gone, but Old Main still stands as a symbol of Wofford ideals, and according to all reports it will be with us for quite some time yet.

Black Hall, which has gone by the name of Alumni Hall and Archer Hall, was the first of the Dorms. It was a home for the Fitting School, the Frats, and now houses Frosh.

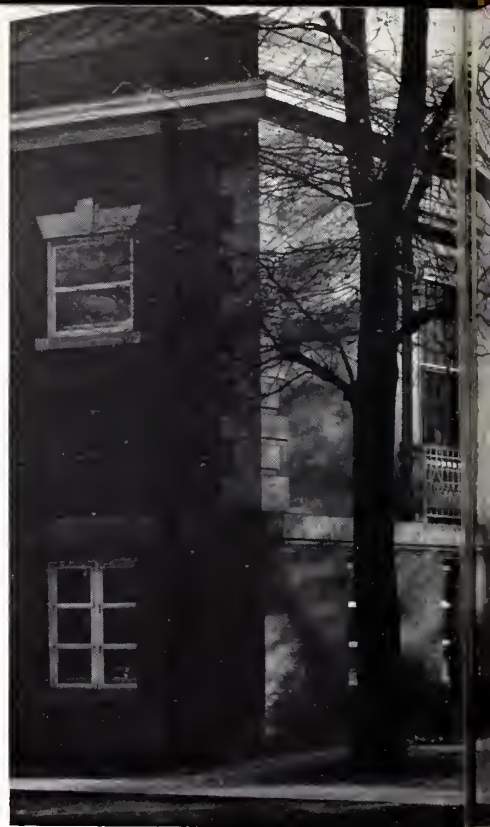

Greene stands as the newest of the dormitories, but work is expected to begin on another one this Spring. Built in a colonial style, Greene houses well over one hundred students and is the largest dorm at Wofford.

*Snyder Hall*

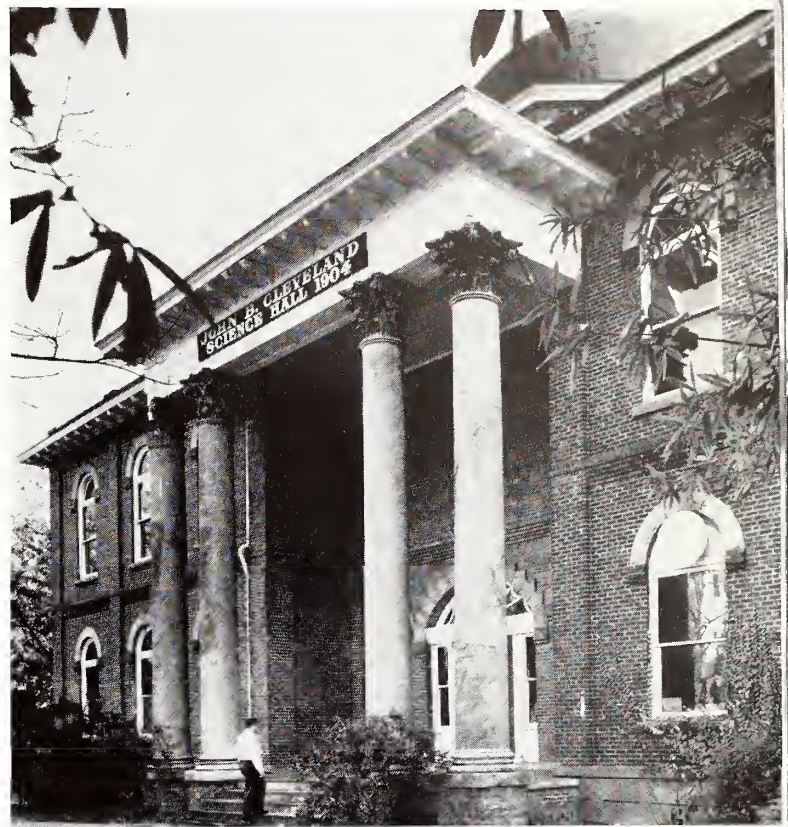

*Carlisle Hall*

*Whitefoord-Smith Library*

*Cleveland Science Hall*

*Andrews Field House*

Snyder was built at the turn of the century to house the old Fitting School. In the by-gone days it contained a cafeteria, but at present its useful purpose is a home for the majority of the Freshman class.

Carlisle was completed in 1912 and was ravaged by fire at least once; but thanks to renovations and repairs, it gives adequate housing for students and "Buice's Beanery", the local cafeteria.

The Library, the Science Hall, and the Field House compose the remainder of the physical facilities of Wofford. Plans for the future include a new dorm, a classroom building, and maybe a swimming pool to complete the Wofford physical plant.

## Dr. F. Pendleton Gaines President

Dr. F. Pendleton Gaines became president in 1952 when this year's graduating class was just beginning its college adventure.

In these four succeeding years there have been many improvements on our campus. Black Hall was renovated, the chapel has been repaired and a new organ installed, and this year construction has begun on the new fraternity lodges.

While at Wofford Dr. Gaines has distinguished himself, and also added dignity to Wofford by the various honorary positions he has held. Last year he was elected as South Carolina's man of the year and this year he was elected president of the Conference of Church-Related Colleges in the South.

## Board of Trustees

The average undergrad is apt to think of Wofford's Board of Trustees as a group of money-minded men, who all too often frown on the things that students most enjoy doing. The *BOHEMIAN* begs to differ with this opinion—the action of the Board, this year alone, is a living refutation of the idea. Headed by Dwight F. Patterson, our Trustees, as of December, have voted in a fraternity lodge system, authorized the construction of a new dormitory and student activities center, helped to push the Wofford Fund Drive past the half-way mark, and have granted a number of increases in professors' salaries. For this work, for their fine influence in our state, we "tip our hats" to the Board.

## The Faculty

Through the years, Wofford's strength and reputation has depended upon the dedicated men who served as faculty members. In a very real sense the faculty has been the college.

This year the BOHEMIAN, in an attempt to give due credit to all, presents the faculty by departments. We believe the men pictured in the following departmental shots represent as fine a group of teachers as a school could hope to have.

## Biology

The Biology Department, directed by Professor Leonard, is designed to train the student in careful and accurate observations, to familiarize him with the more common aspects of nature and to give him some insight into the fundamental laws of life. Many of the Biology majors at Wofford are preparing for the medical profession.

LEONARD, PATTERSON, DOBBS

LOFTIN, PATTERSON, CAVIN

## Chemistry

Under the guidance of Dr. Loftin, the purpose of the Chemistry Department is two-fold. First, the department provides an opportunity for students majoring in other fields to become acquainted with the basic principles and concepts of general chemistry, and second, in the advanced courses such as organic chemistry, qualitative and quantitative analysis, the advanced chemistry students have an excellent opportunity to prepare themselves for professional work or graduate study.

ANDREWS, CAUTHEN, ENGELSON

## Economics and Business Administration

The Economics and Business Administration Department at Wofford gives the student, in the introductory courses, an opportunity to acquaint himself with an understanding of the organization and underlying principles of our economic life. This department, under the direction of Dr. Cauthen, also offers more advanced courses which further acquaint the student with the problems and principles involved in banking, public finance and international trade. In this department the student has a fine opportunity to prepare to take his place in the business world in an administrative capacity.

## Education and Psychology

Under the leadership of Dr. Ward, the Education and Psychology Department at Wofford gives the student an opportunity to meet the requirements for the teaching profession and also a chance to prepare himself for further work in the rapidly expanding field of Psychology. In the Education Department the student studies educational processes and procedures, with emphasis on the underlying psychological principles. Major work in Psychology leads chiefly toward clinical psychology, vocational guidance and personnel management.

WARD, BRITT

## English

The English Department at Wofford is designed to give all students a general understanding of literature, stimulate interest in this field, and provide an opportunity to develop a creative writing ability. Under the direction of Dr. Hunter, the English Department offers to the students majoring in this field a wide variety of courses which cover many of the avenues of both English and American writing.

LOOMIS, HUNTER, FRANTZ, COATES

SALMON, ADAMS, BOURNE

## Foreign Languages

The first object of the Foreign Languages Department, headed by Professor Salmon, is to teach the student to read the languages readily, with a view to literary appreciation and as an aid in the pursuit of other studies. There is offered here a wide range of studies including both elementary and more advanced courses in French, German, Greek and Spanish.

## History

In both required and elective courses, the Department of History, under Dr. Cauthen, is designed to furnish the essential historical background for an understanding of contemporary society with its national and international problems. By providing elective courses in such fields as Ancient, American, Southern and South Carolina History, this department gives the student an opportunity to more completely understand his world and see it in its proper perspective.

CAUTHEN, JONES

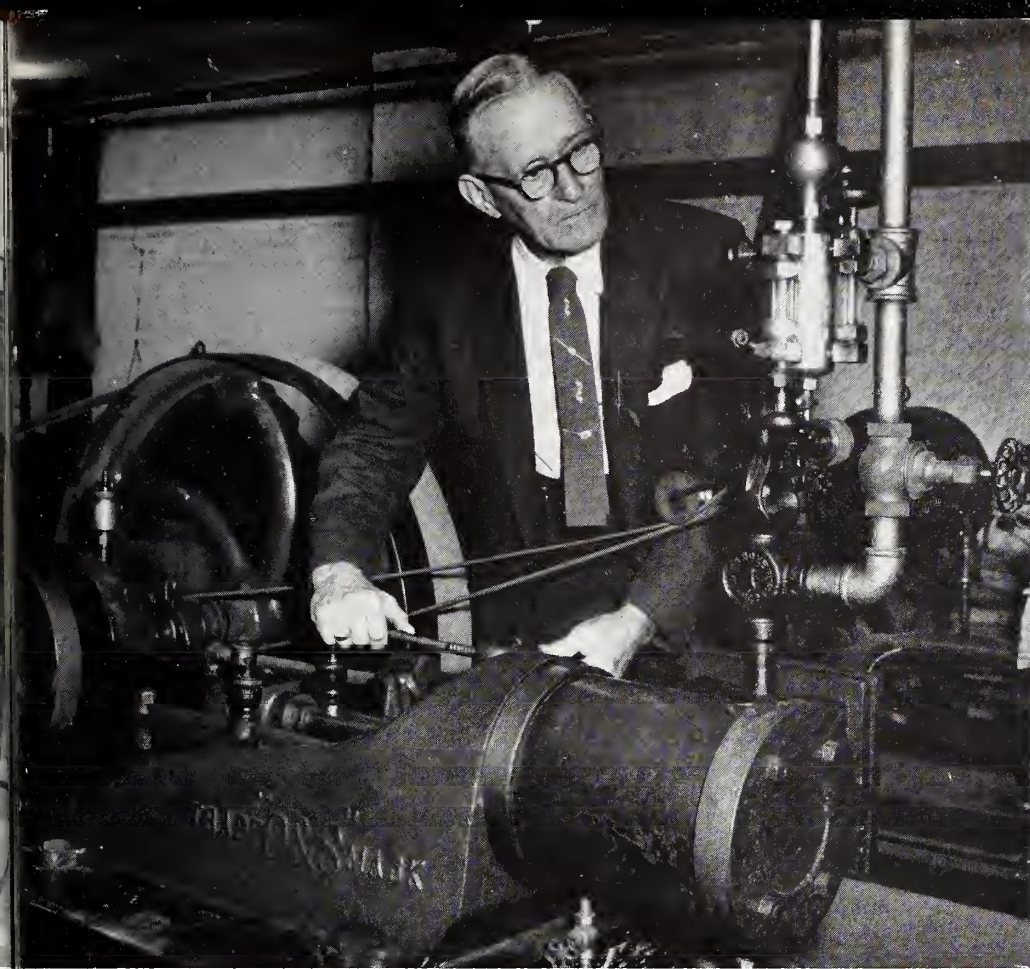

PEGRAM, HILL

## Mathematics

The Mathematics Department is guided by Dr. Hill. In the advanced elective courses Math students delve deeply into such studies as calculus, solid analytical geometry, differential equations, and vector analysis. In the required math courses students study such things as trigonometry, quadratic equations, the binomial theorem, and others. The mathematical knowledge gained from these courses is for non-math students, of course, valuable, but probably more important than this is the logical and precise method of "mathematical thinking" that the student acquires. This method of thinking can be applied to any subject or any problem in life.

SHULER

## Applied Math

The Applied Math Department, headed by Professor Shuler, is oriented to give the student a general background in the fields of mechanical drawing, electricity, and surveying. The instruction is composed of both lecture and laboratory sessions with special emphasis being given to farm surveying, terracing, and blue printing.

*Seated:* RUSSELL, BOTTOMLY, WALKER. *Standing:* WILSON, JONES, SUTPHIN, TINDALL.

## Military Science

Courses in the Military Science Department are subdivided into several subcourses, each being complete within itself and forming the basis for more advanced training the following year. The department is under the command of Lt. Col. Bottomly. A minimum of one hour per week of leadership, drill and exercise of command is included in each course in the form of practical work on the drill field.

MOYER

## Music and Art

The Music and Art Department, under the direction of Professor Moyer, is designed to introduce the student to a broad world of music and art, and to help break down the technical aspects which may cause these studies to seem foreign to him. Attention is given to its inner workings, its historical traditions and its luminous creative spirits. The student is guided in the art of general listening. In the study of art problems are related to human needs such as are found in home, community, and religion. In general this department provides each student with an opportunity to broaden himself culturally.

COLLOMS

## Philosophy

The courses in the Department of Philosophy under Dr. Colloms are designed to teach the student the principles of correct thinking, the nature and scope of philosophical inquiry, and to acquaint him with life and thought of the great philosophers of the Western world, both past and present.

## Physical Education

The purpose of this Department, under the guidance of Professor Scheerer, is to promote health, growth, and development of the body. The various activities included in its program are: calisthenics, tumbling, gymnastics, volleyball, mass athletics, and others. This department also provides courses in physical education whereby a student may be prepared to teach physical education and coach in a high school.

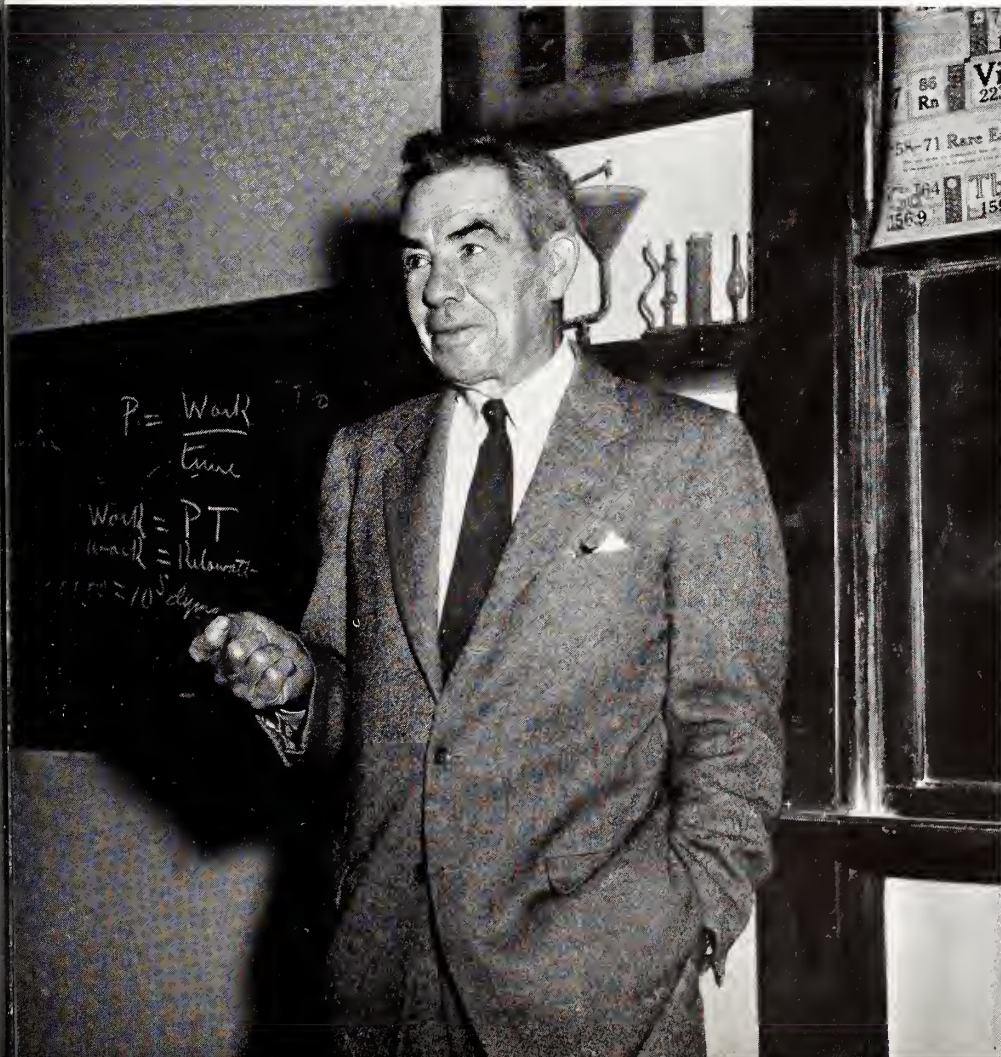

WALKER, SCHEERER

PETTIS

## Physics and Geology

In the Department of Physics and Geology, headed by Professor Pettis, students have an opportunity in the general courses to examine such concepts and fields as heat, wave motion, electricity and light. In the advanced courses the students become acquainted with mechanics, theoretical physics, geology and navigation. Many laboratory sessions are included in the courses. In the geology course students have an opportunity to utilize the fine rock and fossil collection at Wofford.

NESBITT, ALLEN

## Religion

The courses in the Religion Department at Wofford, under the leadership of Dr. Nesbitt, are designed to help prepare a leadership of trained clergy and intelligent laity for the church in order to carry on effectively an increasing program of Christian service in our world. In both the required and advanced Religion courses the student is encouraged to do his own religious thinking and not to accept at face value any idea without examining it in its proper perspective.

REGISTRATION is one of those long, hot, discouraging days—as Professors Norton and Doby will gladly tell you.

THE ARTS AND SCIENCES seem in complete agreement on the value of a good "cup o' coffee".

## Sociology and Government

NORTON, DOBY

In the Sociology and Government Department, headed by Dr. Norton, our world is examined in both its social and political lights. In the introductory courses the student studies the basic principles and concepts involved in sociology and in the more advanced courses he studies the significance and application of these concepts and principles in our world. In such courses as Social Problems, Criminology, Race Relations and American and State and Local Governments the problems and changes in our society are studied. In such courses as Marriage and the Family there is an attempt made to help the student make the correct adjustment in these "changing times".

## D e d i c a t i o n

To achieve success requires hard work—to achieve greatness requires something more. We like to call that something *dedication*. This year, the editors of the BOHEMIAN are proud to recognize a truly great man, a man who for almost forty years has dedicated himself to Wofford College—DR. C. C. NORTON.

Certainly, we are not the first to recognize Dr. Norton or his contribution to our college and Southern education in general. Throughout South Carolina and neighboring states, he is—and has been for some time—well known in educational circles. We rather like, however, the idea of “getting on a winning bandwagon”.

And so, to Clarenee Clifford Norton—educator, traveler, cartoonist—we dedicate the 1956 BOHEMIAN.

**Dr. Clarence Clifford Norton**

# Events

FOR S. F. LOGAN AND COMPANY, registration is, at best, an eight-hour "question and answer" game.

## Registration

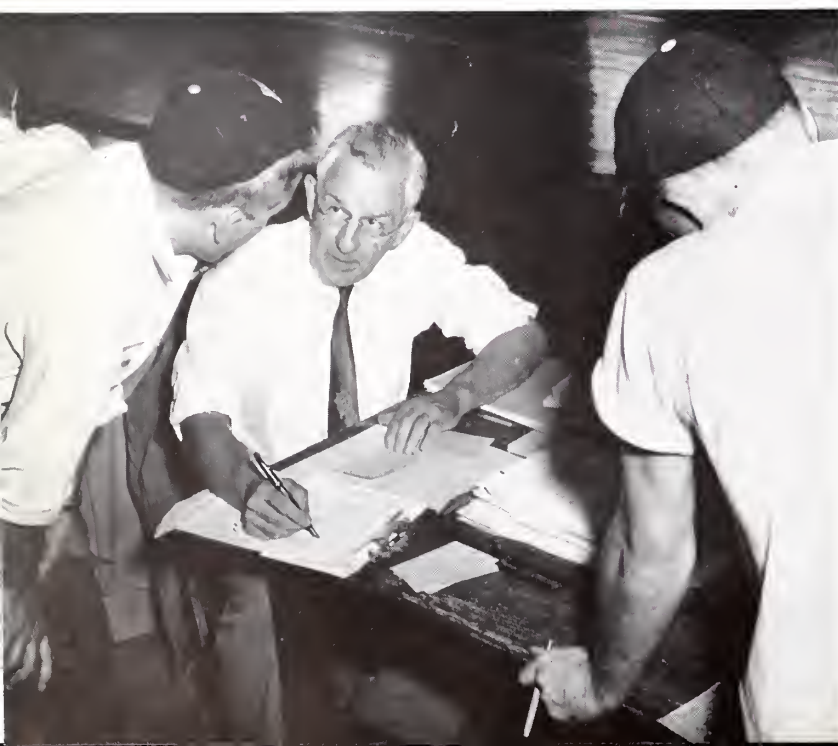

Perhaps it would not be at all a bad idea if high schools were required to offer a course to seniors on "Methodology of College Registration". Such a course, if it served no other useful purpose, would at least "cushion the shock".

Year in and year out, matriculation is a day of mass confusion. For the frosh it means attempt after attempt to work out some sort of satisfactory schedule; to upperclassmen, endless lines.

As a matter of fact, the only man on campus who enjoys the mess is Bursar Smithyman—he likes the money.

THE FACULTY, too, finds the day rather trying, as evidenced by Professor Bourne's expression.

"BUT PROFESSOR, couldn't I work that course in next semester."

A TUG-OF-WAR is often more work than fun, but when "freedom" is the stake, as was the case for these rodents, it's worth a little sweat.

## Ratting

"The purpose of ratting", says the Handbook, "is to instill school spirit, a proper respect for the upperclassmen, etc." Which is all fine and good, if you ain't a rat.

Speaking seriously, the 1955 Rat Program at Wofford, revived under the direction of Sophomore Prexy Bonner Thomason, was generally conceded to be a success. Emphasizing a firm, but humane, treatment of the frosh, the program ran effectively for slightly over two months—ending with the traditional tug-of-war right after Thanksgiving.

RAT SIGNS were required for all freshmen—"some of us", however, wore 'em with greater regularity than others.

'T WAS THE WEEK before the Furman game, and all thru the lonely night the frosh kept their vigil.

LIKE WE SAID, pretty girls are the keynote of it all.

SID and "MEAT BALL" show the rushees proper procedure for stowing the chow away.

JUNIOR and SONNY confer on the virtues of PiKA punch.

## Rush

Few decisions in a college man's life are as important as his choice of a fraternity—and few are made under more trying conditions.

Rush Week, to the average freshman, is a thoroughly confusing business. Rivalled only, if at all, by the first week of adjusting to college. It is a week of "high pressure" and too many free cigars.

BLAKE and BROOKS are rushing, the rest seem interested in our photographer.

PENNY and "that KA girl" forget the rushees for the moment anyway.

## Week

But it is also a week of forming new, and often lasting, friendships, of really getting to know the "terrible upperclassmen".

Rush is a period of parties and smokers, and more parties, and more smokers. Pretty girls and firm handshakes are the keynotes of it all.

As to the hard working, harder sweating, frat men—well—they were freshman once.

PETE ENJOYS a free cigar and trimmings, which—we understand—he's paying for now.

BRENT'S OFFICE and the bids—"end of a long road."

# Homecoming

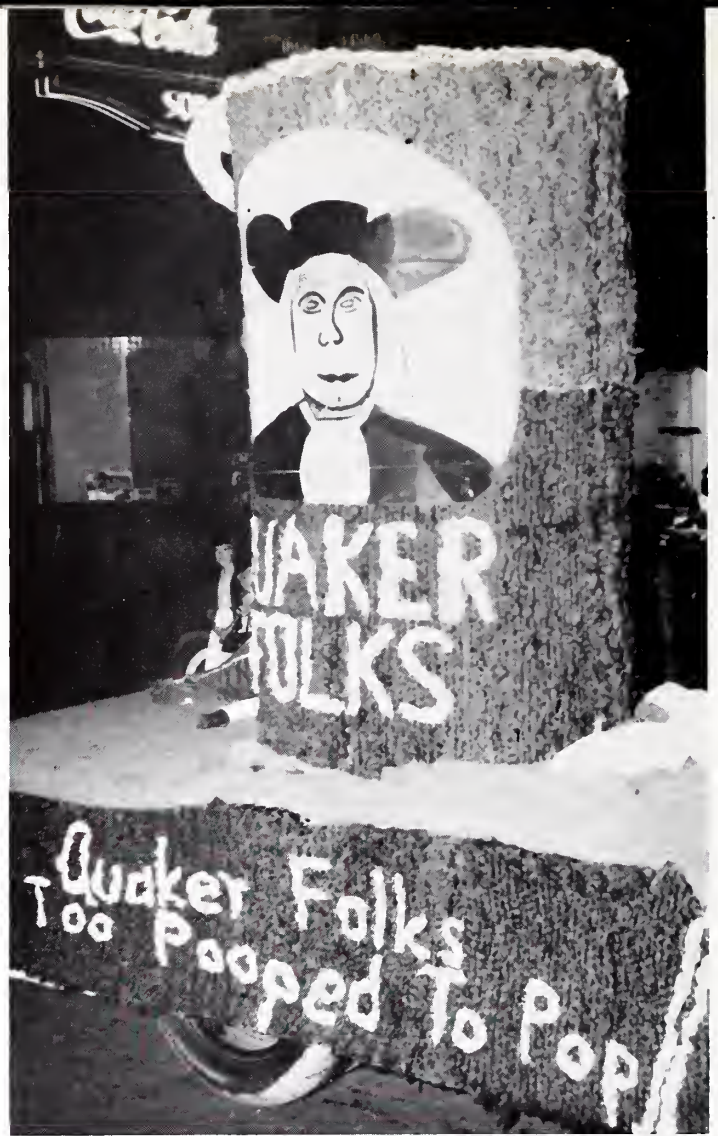

A come-from-behind victory, a beautiful day, and a beautiful queen all combined to make the Homecoming Celebration a happy one for alumni and students alike.

Miss Ann Ward of Converse College was elected by a student panel to reign as Queen for the Day. She was crowned by the retiring queen, Miss Pegilee Price, also from Converse.

An informal dance after the parade Friday, and the bigger dance Saturday night added to the interest of students. Both dances were sponsored by the Inter-fraternity Council.

The Pi Kappa Alpha fraternity walked off with the trophy for the outstanding float in Friday's parade, with Kappa Sigma running second. Greene Hall won the dorm decoration prize.

The Terriers overcame a 14-7 halftime score to pitch the weekend with a 33-20 win against Guilford's Quakers.

PIKA'S FLOAT proclaimed on Friday night that the Quakers were "too pooped to pop"—and they were.

LORYEA'S MEN made Saturday night a music feast not soon to be forgotten.

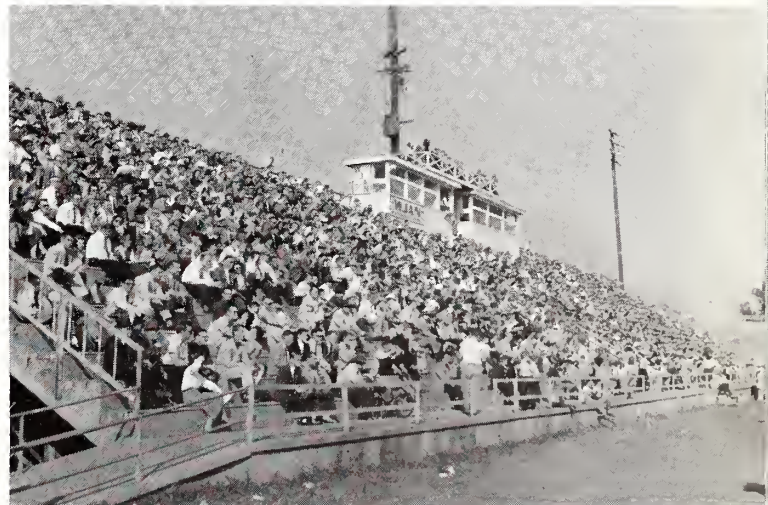

QUEEN WARD, with retiring Queen Price and Editor Thackston. We could call this picture "Beauties and the Beast", but Thackston is rather sensitive.

REDDICK and his regal date look kinda happy about something.

AND THIS is how the Homecoming Game appeared—to our photographer, anyway.

RAY STARR, personality boy with the booming voice, led Wofford's "five thousand" in a rousing cheer to begin the program and climax the evening.

## Winter Ball

Under the leadership of Dance Association chairman Laurence McIntosh, Buddy Morrow and his orchestra was engaged for the annual Winter Ball on December 15 in the Memorial Auditorium.

To the mellow music of Morrow, swains and their women swayed for four hours, the highlight of which was a 30-minute coast-to-coast live broadcast over 350 stations and overseas.

With only the holidays to confront us on the morning after, the stops were out for this truly outstanding dance.

THE DANCE was over—but for some the "melody lingered on."

**D. LAURENCE McINTOSH,** Veep, "turns on the snow" with the little yankee from the 'Verse.

**REFRESHMENTS,** compliments of Buice Beanery, Inc., were enjoyed by all thru the evening.

"**THEY WERE TRYING** to waltz to a Rock an' Roll song"—and that's just about how it was.

## The Student Council

Under the direction of its president, Jeter Hammond, the Student Council, during the past year, has directed its efforts toward several projects intended to better the life of students at Wofford.

Most of the groups' attention was concentrated upon the perfection of a badly needed Honor System for the college. A fine job was also done in the social field, with the expansion of the school's Dance Association under the supervision of "Veep" Laurence McIntosh.

Members of the Council shown on these two pages are: Jeter Hammond of Sumter, Laurence McIntosh of Florence, Charlie Smith of Olanta, Walt Sessoms of Darlington, Harry Wallace of Beaufort, Craig Templeton of Newburgh, N. Y., Bonner Thomason of York, and Sonny McMillan of Laurens.

# The Student Christian Association

The Organizational Council took the spotlight in the Student Christian Association this year as Ted Walter, in his presidential capacity, smoothed out some of the rough spots left after its first year of operation.

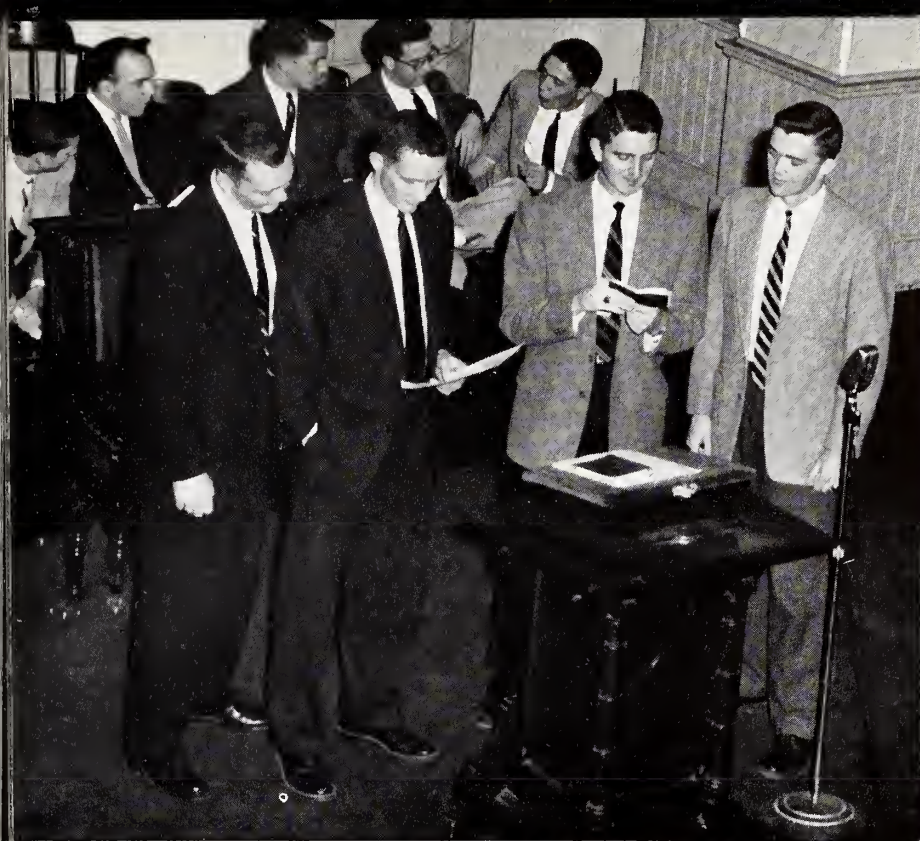

Also high on the agenda was the Freshman Orientation Camp held for the first time in the mountains. Other highspots were the ever-welcome Deputation Teams from neighboring schools, in addition to the varied programs presented by members of the Organizational Council.

Parties and programs for underprivileged Negro children in nearby communities added to the fellowship of the group.

Every student attending Wofford automatically becomes a member of the S. C. A. Meetings are held weekly on Thursday night.

## The Baptist Student Union

The Baptist Student Union at Wofford is the link between the Baptist college student and his home church. The organization functions in a number of worthwhile capacities. Not only does it encourage church attendance among its members, but also it serves to enrich their day-to-day spiritual life.

The Union, with assistance from local ministers, provides a varied social program in addition to the religious activities. Regularly during the year, city-wide Baptist parties and mixers are held.

Deputation teams from the Wofford B. S. U. are sent all through the year to neighboring colleges and churches. In return, a number of deputation programs are brought to the college.

Tom Hardin, a senior from Spindale, N. C., is serving as president of the group for 1955-56.

# The Ministerial Union

The Ministerial Union here at Wofford was organized in an effort to help the pre-ministerial student to become better acquainted with the work of his calling.

Throughout the year, this group participates in programs that are carried out for the betterment of Christian student life on our campus.

The focal-point for the organizations work during 1955-56 has been the improvement of the Gas Bottom project, which was begun several years ago by the Student Christian Association.

The Union also served the best student interest by sponsoring another successful Religious Emphasis Week during the spring semester. Weekly programs were continued at the Georgia Cleveland Rest Home.

## The American Chemical Society

The Wofford affiliate chapter of the American Chemical Society was granted its charter in 1949.

Under the direction of Dr. J. C. Loftin, Advisor, the organization has steadily progressed to become one of the most active and outstanding pre-professional societies on the campus.

In the spring of each year, the A. C. S. sponsors its annual Chemistry Fair, which is designed to familiarize the high school students of the Spartanburg area with the advances made in the field of chemical science—and, as an essential sidelight, with Wofford College.

For the 1955-56 academic year, English Percy of Walterboro, S. C., is serving as President of the group.

## The Methodist Student Movement

The Methodist Student Movement is composed of all the Methodist students in the Spartanburg schools.

Its aim is to provide programs on a college level which have appeal to the collegiate mind.

The M. S. M. meets every Sunday night at Central Methodist Church where an hour of fellowship and an hour program are held. These programs consist of panel discussions, movies, plays, and speakers.

The planning council for the organization is made up of representatives from the four member schools — Wofford, Converse, Spartanburg Junior College, and the General Nurses' Home. This year's council members were Margaret Cline, Dot Williams, Sue Smith, and Wallace Culp.

David Herbert and Wallace Culp served as presidents during the school year.

## Debate Team

"If you were to hear the virtues and evils of the Guaranteed Annual Wage being expounded during the year, it would probably be the Wofford debate teams warming up for another tournament or meeting fellow debaters from a neighboring school."

—Fredland.

This year Wofford was represented by both varsity and freshman teams at the two tourneys it attended. Wofford returned from the University of South Carolina and Lenoir-Rhyne College with victories over such schools as Emory, U. N. C., Lenoir-Rhyne, Navy, Centre, and Furman.

The varsity team for this season had as negative speakers Elton Hendrix and Tommy Yarborough, and as affirmative, Wallace Culp and Richard Fredland.

Benny Sinkoe, George Martin, Olin Sansbury, and Pete Martin composed the frosh squad.

# Publications Board

Under the revised Constitution of the Wofford College Student Body (1953) the Publications Board is organized for the purpose of controlling the activities of our three school publications.

The Board, by provision of this Constitution, exercises no censorship power. Its function is two-fold: (1) the election of editors and business managers for the *Old Gold and Black, Journal*, and *BOHEMIAN*, and (2) the close supervision of all financial matters relating to the publications.

The nine men (four faculty and five student members) who make up this year's Board are: Professors Jones, Adams, Loomis, and Andrews; students Clardy, Howard, Fredland, Goodlet, and Lawson.

Dr. Jones is Chairman of the Board.

## The Glee Club

The Wofford College Glee Club once again captured the hearts and applause of the many audiences that it performed for in the Piedmont section as well as the low country. Having sung before better than 20,000 people the 1956 edition of the Tuneful Terriers closed out the season with its traditional home concert here in Spartanburg.

Moyer's men successfully combined the sacred and secular to give a program to please everyone.

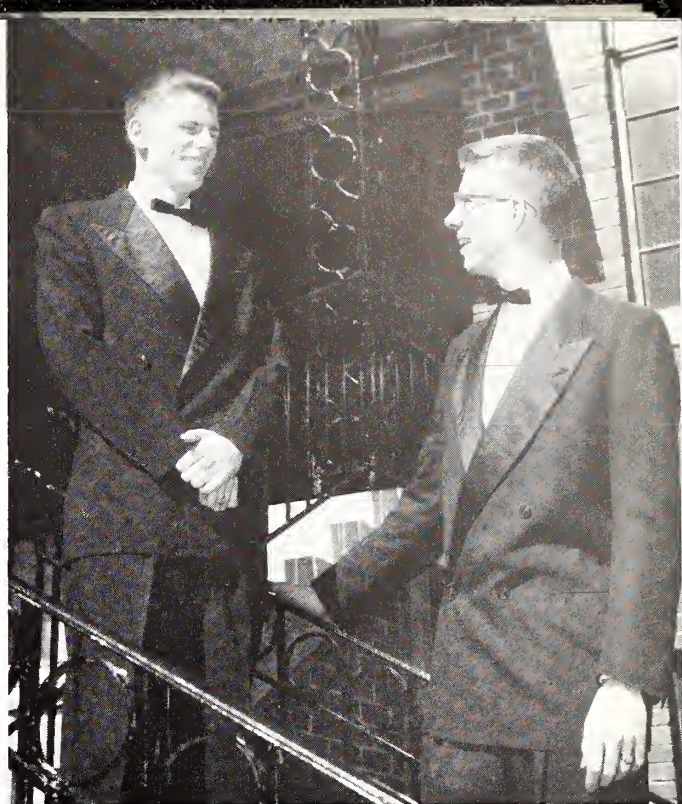

Minus the glamor of last year's Florida trip, the clubbers still managed to have "a pretty good time of it" on the ten-day tour of lower South Carolina.

Accompanied by the artistry of Charlie Coker, the Glee Club gave its director, Professor Moyer, one of his most successful seasons.

Talmadge Skinner is president of the club this season.

**CHARLIE COKER**, faithful four-year accompanist, is pictured working at a practice session.

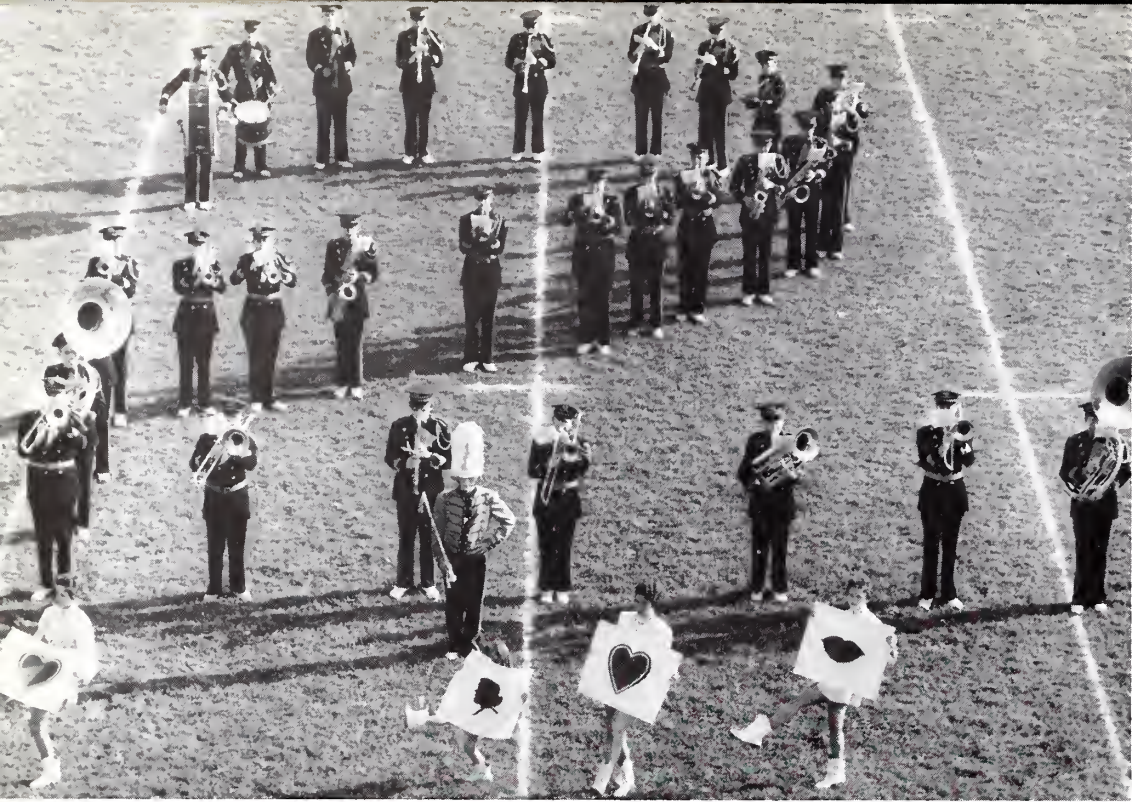

**DAN LEWIS** and **RICHARD FREDLAND** served as capable announcers for the club.

**WITH TEN MINUTES** before curtain time, the Tuneful Terriers warm up in the dressing room.

**WOFFORD'S MARCHING BAND** puts on its usual half-time show to add that extra touch of color to the events of the day.

## The Band

In the make-up of a college there are a number of essential yet almost thankless jobs. Certainly the Wofford College Band falls into approximately that category.

All during the year, the band has been hard at work—at Christmas parades, pep rallies, football games, basketball, contests, and a number of our school functions. Under the direction of Harold Smithyman, the group has worn well at the pace.

Again this year, a number of scholarships were offered to add incentive for band membership. We feel rather safe in saying, however, that the love of music, and not the inducement of a few dollars, kept our band at work.

In addition to band duty, many of the members also serve with the Wofford ROTC band which performs at all military ceremonies.

Bob Loyea is president of the group this year.

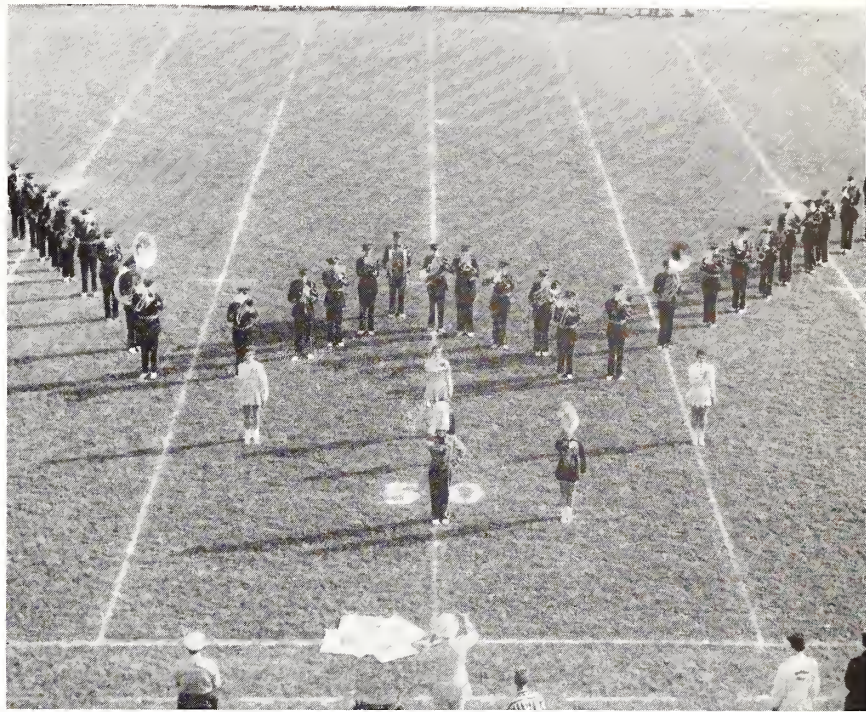

**THE TWO PICTURES** above might best be simply titled "Men at Work".

ANN CANNON and SISSY SMITHYMAN, Majorettes, talk things over with Director HAROLD SMITHYMAN.

"AND THIS IS HOW IT looked when the band formed for the playing of our Alma Mater at the Homecoming game."

WE ARE TOLD that bands are a lot of fun, but "it sho' do take the practice". This is how it was.

# The Old Gold and Black

The recording of happenings on the campus by a weekly newspaper is one of much "behind the scenes" reporting and last-minute hustle to meet a deadline, and that ever-present "sweat" on Monday nights. Yet, through it all, our staff did a most commendable job.

Everyone concerned, from the Administration down, yielded freely of both time and energy to help, and for that we are grateful. Watson, Sansbury and Waters did exceptionally well in editorial capacities.

Though we experimented with various ways to make the *OG&B* more readable for more people, the entire staff held up through it. For that we are grateful.

But without readers, a newspaper is useless, so it is to the readers we owe our thanks for making the *Old Gold and Black* what it was.

No job is easy, but no job is without rewards. So it was with the late hours and the never-ceasing search for news that was a part of this one. Our reward was a feeling of relief when, on Saturday morning, the papers were out and almost everyone was reading it. It was work, but we have no feeling of regret for undertaking the job.

## The Journal

The following paragraph which is found in the 1954-1955 Wofford College Bulletin is probably as good a brief summary of the *Journal's* purpose as one can find. "The *Journal* was established in 1889 and is a magazine intended to represent the best intellectual life of the student body. In addition to its editorials, the material in it consists of essays on serious topics, stories, and poems, and the method of treatment is literary in character. It is published five times during the school year."

The *Journal* is directly responsible in all matters of finance to the Wofford College Publications Board, which also elects the editor of the *Journal* and the business manager. The Constitution of the Board of Student Publications regulates such administrative matters as the dates upon which the *Journal* is to be issued and the salaries of the staff. The constitution states that "the first issue of the *Journal* shall appear not earlier than the 15th of November; thereafter issues shall appear on December 15, February 10, April 5, and May 15".

The *Journal's* staff is composed of the following men: Editor, Travis Medlock; Business Manager, Fred DuBard; Associate Editor, Charles Neves; Literary Editor, John Earl Jones; Feature Writer, Ken Williams; Make-Up Editor, Buck Whitmire; Sports Editors, Tom Summers and Sonny Clardy; Art Editor, Phil Calhoun; Humor Editor, John Jenerette; Typists, L. ## The Bohemian

An annual, in our humble opinion, can be best described as "a mass of pictures and print pasted together with sweat". Such was the case with this book.

Now we are not "griping", mind you. We enjoyed it—almost every minute of it. The cooperation that we received from everyone involved in the publication of this year's BOHEMIAN was more than we could have asked for.

The design of this annual is, as the reader has probably already noted, something of a change from BOHEMIANS in years past. In all honesty, we must admit that the ideas for change—two-page introductory pictures, black and white contrast, more sections—were not entirely our own. A number of these "ideas" were taken from Gus Manos' design in last year's GARNET AND BLACK. Our thanks to Mr. Manos.

We want to say a special word of thanks to Mr. Ed O'Cain of The R. L. Bryan Company and Mr. Walt Dargan of Southern Photo Process Engraving Co., for their patience and advice, to Mr. Bob Willis for his fine work as our photographer, to Miss Mary Oeland of Converse for her aid in designing this book, to the Publications Board for bearing with us through the year, and to the faithful, hard-working staff on these pages for "the full measure of cooperation" that each man gave.

We hope that you, the reader, enjoy this 1956 BOHEMIAN. We have.

## Honoraries

Wofford College is a small Liberal Arts School located in Spartanburg, South Carolina; it was founded 102 years ago.

The purpose of the College is this—to prepare young men for their rightful, useful role in society, to instill in them the virtues of courage and intellectual honesty, to show them the way to a better life.

Those men who, through hard work, excel in this process of preparing for the future deserve recognition. Hence—the *Honorary Fraternity*.

# Phi Beta Kappa

For over a century and a half, election to Phi Beta Kappa has been a recognition of intellectual capacities well employed, especially in acquiring an education in the liberal arts and sciences.

Phi Beta Kappa was founded on December 5, 1776, at William and Mary in Williamsburg, Virginia. It was the first society to have a Greek letter name. From that small beginning in one of the cradles of the American nation and in its transplantation to another cradle of the nation, the Colleges of New England, the society has spread out and covered the entire nation and become one of the most honored societies in the world. Over one hundred and fifty chapters are now in existence.

The Wofford Chapter of Phi Beta Kappa, Beta of South Carolina, was chartered in January of 1941. The charter was granted to the holders of the Key who were officially connected with the college at that time. It is one of two chapters in the state—the other at U. S. C. During the past decade, the local chapter has held firmly to the high ideals and purposes for which Phi Beta Kappa was founded.

Each year, the Senior Order, accorded Wofford's highest honorary group, brings together the four most outstanding and influential members of the Senior Class.

## WHO'S WHO

### In American Colleges and Universities

A number of outstanding Seniors are chosen by the faculty every year to appear in the annual publication of Who's Who in American Colleges and Universities.

Selection is made on the basis of leadership, scholarship, character, and service to the college during a four-year period. Those men chosen are usually class officers, organizational presidents, fraternity leaders, and publication heads.

# Blue Key

The Blue Key National Honor Fraternity was originally founded at the University of Florida in 1924 by Major J. P. Riley. From the original organization of 25 men, Blue Key has grown to a total membership of over 20,000 men in more than 80 leading universities and colleges.

Membership in Blue Key is considered one of the highest honors a Wofford student can attain. Members are chosen on the basis of character and personality, and are recognized as leaders in scholarship and college activities.

The organization promotes better understanding between Wofford and her rivals, and also sponsors the annual High School week end.

Leading the organization this year is Toby Davis.

## Pi Gamma Mu

Pi Gamma Mu, National Social Science Honorary Society, functions on the Wofford campus in two important fashions. Firstly, the group strives to stimulate interest in the various social sciences—economics, history, sociology, psychology, and government. Secondly, it gives due recognition to those students who, through earnest study, have achieved better-than-average proficiency in these fields.

Throughout the academic year, bi-monthly programs are presented by the group on subjects ranging from party politics to mental health. While these programs are primarily for the Pi Gamma Mu members, the general student body is invited to attend, and many non-members take advantage of the opportunity.

The society is headed this year by Alan Stewart, a senior from Locke, N. Y.

# Delta Phi Alpha

Delta Phi Alpha, National Honorary German Fraternity, was founded here at Wofford in the year 1929 by Dr. James A. Chiles and John Idson.

The Wofford Chapter, being the Alpha Chapter of the fraternity, has enjoyed a great tradition. It is generally accorded one of the highest honors that a student of the modern languages can attain.

During the academic year, the group presents a number of interesting programs designed to correlate classroom work with the colorful folklore and traditions of the German people.

Professors William R. Bourne and John Salmon are faculty advisors to the group.

Professor BOURNE, HAMILTON, GOODLETT, EASLER, ASKINS.

# Sigma Delta Pi

Sigma Delta Pi, National Honorary Spanish Fraternity, is Wofford's most recently established honorary group. Membership is reserved to men in the third-year Spanish course who show better-than-average interest and achieve a high grade point ratio.

Wofford's Chapter, Gamma Xi, is one of eighty chapters throughout the nation.

The group functions both as an honorary and as a working organization to stimulate student interest in the Spanish-speaking nations and peoples of our hemisphere.

Professors John Salmon, Lewis Jones, and George Adams serve as faculty members and advisors to the fraternity.

## Sigma Delta Psi

Wofford's Chapter of Sigma Delta Psi, the national honorary athletic fraternity, was organized in the spring of 1950. Since that time, the group has maintained a more or less steady membership of eight or nine men.

Membership in the coveted athletic frat can only be attained by the passing of a number of rigorous physical tests. These tests include the hurdles, the dash, the football and baseball throw for distance and accuracy, swimming—in general, all-round ability in the sports.

Sigma Delta Psi is represented on the faculty by Coaches Joel Robertson and William Scheerer, Librarian Herbert Hucks, and Dean Philip Covington.

## The Scabbard and Blade

Scabbard and Blade is a national military honor society with local chapters, called companies, located in one hundred and thirty-one leading colleges and universities which have Reserve Officer Training Programs.

Men are selected to membership in this organization on the basis of outstanding achievement in the field of military science. This membership is generally accorded to be the highest honor that the student of military can attain.

Wofford's Company of the Scabbard and Blade was chartered in the year 1928, and excepting the brief duration of the second World War, has been in active operation since that date.

This year's officers for the company are: Walt Sessoms, Captain; First Lt. Sam Maw; Second Lt. Tom Summers; First Sgt. Russell King.

## The Block W Club

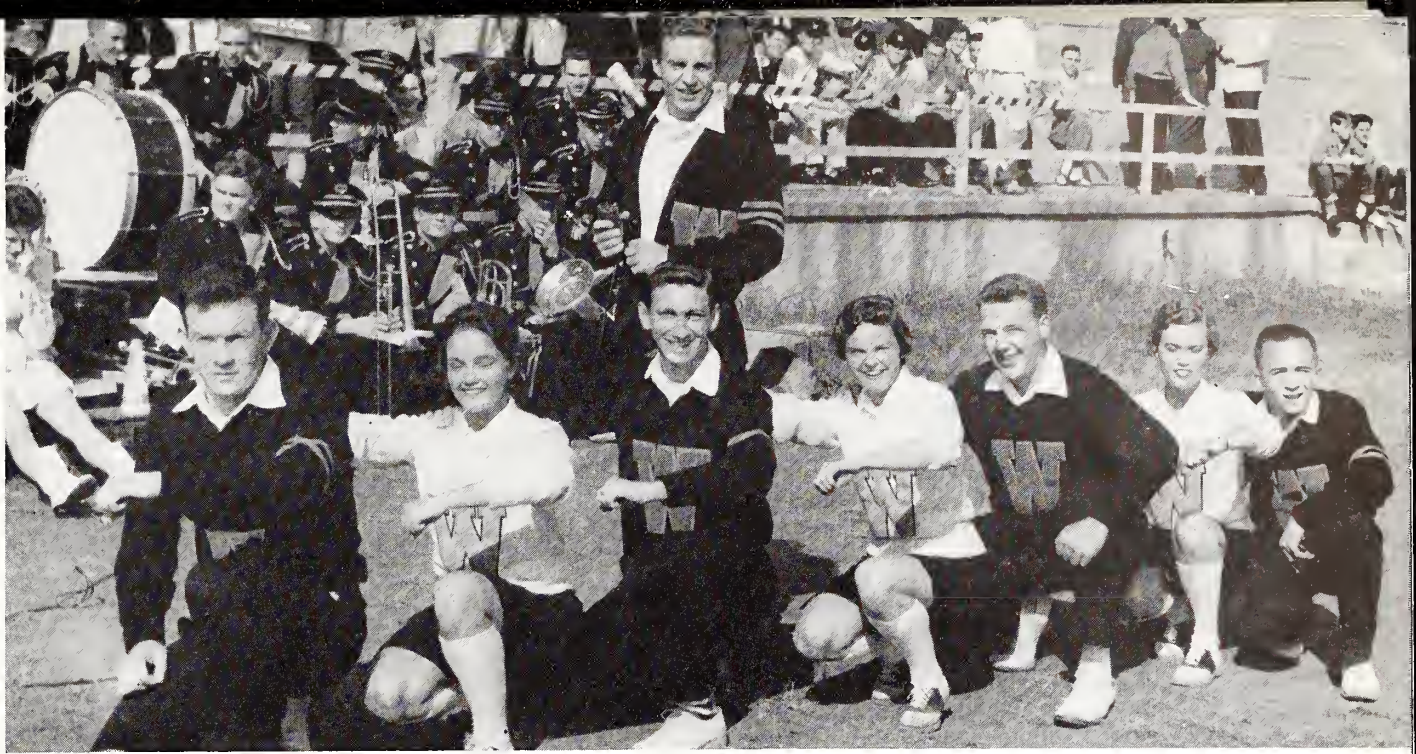

The Block "W" Club is organized to recognize those men who have earned a letter by participating in one or more major sports. Membership is an honor of which the athlete may be justly proud.

Throughout the year, the Block "W" is active in maintaining a balanced program of activities. The Club sponsors a number of fund-raising projects and programs, the proceeds of which are invested to further Wofford's Athletic Program.

Highlight of the group's annual activities is the traditional Old Gold and Black game each Spring, sponsored and supervised by the men in Block "W". The initiation, held during the Fall, is also generally accorded to be something of a "highlight".

Alf McGinnis has served as president of the organization for the 1955-56 school year.

PETE BLACKMON, JANE STRAWN, TUNKY WOODHAM, SALLEY McCrARY, FRED DUBARD, HARRIET MAHAFFEY, BOB PENNY, and *Head Cheerleader* BILL PENNY (Standing), squint at the birdie.

## The Cheerleaders

The recipe for a cheerleader includes a little yell, and a lotta pep mixed with a generous supply of school spirit. Multiply this combination by five and add three inspiring feminine voices from Converse and you have the Wofford Cheerleaders who have, this year, under the noisy leadership of Bill Penny shouted themselves hoarse supporting Wofford's successful football team.

Being a Cheerleader though, means more than just "whooping it up" at the football games. There is a lot of unseen work to be done like learning the yells and getting the students to learn them—truly a difficult job. Also, the Cheerleaders are responsible for the pep rallies and pre-game parades.

The Cheerleaders really work hard to make the Terriers' bark as big as its bite.

CHEERLEADING MAY be hard work, but it's not in the least dull—as the two snaps above should show.

# FOOTBALL

CONLEY SNIDOW  
*Head Coach*

## The Coaches

The 7-4 won-lost record posted by the Terrier gridgers during the 1955 season was in a large measure the work of the four coaches.

Conley Snidow, head football coach, is assisted on the line by Jim Brakefield and Bill McCarren. The two assistant mentors handle baseball and track coaching duties. Trainer Bill Walker also organized and coached the school's first trampoline team this winter.

The Terrier eleven opened the season with a win over Western Carolina, then lost to powerful USC before whipping Stetson and Furman. Newberry's hustling Indians upset the Gold and Blacks before they won three more—over Presbyterian, Guilford, and The Citadel. Another upset at the hands of Catawba set the stage for a win over Davidson, and the Wofford crew closed out its season's play in a 3-0 squeaker loss to Eastern Kentucky.

TERRIERS ROUT NORTH CAROLINIANS IN OPENER AT SNYDER FIELD

The Wofford Terriers scored a 21-7 victory over Western Carolina in their initial tilt of the 1955 football season at Snyder Field.

Senior quarterback Charlie Jones was used only sparingly because of an injury, but still played long enough to run the game's first touchdown and pass for a second.

It was in the second period when Jones tallied the first six points, moving over from the five-yard line on an option play around the left end. Later in that same quarter Jones flipped a ten-yard pass to fullback Ronnie Burnette after tackle Weldon Burns had recovered a Western Carolina fumble on the visitors' 13-yard line.

Frank DePrete drove across for the final Wofford score with seconds remaining in the third period. The sophomore halfback had sparked the 30-yard drive with his bull-like charges through the Western Carolina line.

Weyland Burns added his third conversion of the night after DePrete's touchdown, giving Wofford a 21-0 lead as the game entered the final quarter.

The losers' only score came in the fourth period when halfback Bill Poindexter broke loose for a 42-yard touchdown run.

Jeter Hammond, Evans Holland, Weldon Burns and Jim Moseley were outstanding defensively for the Terriers, while DePrete was the night's leading runner, gaining 46 yards in seven carries.

**WOFFORD FOOTBALLERS HOLD BIRDS TO UNIMPRESSIVE WIN**

Long runs early in the game by halfbacks Carl Brazell and Mike Caskey gave Carolina two touchdowns and provided the difference as the Wofford gridgers held the heavily-favored Gamecocks to a 26-7 victory.

The tremendous play of the supposedly outclassed Terriers forced Carolina coach, Rex Enright, to play his first team throughout the evening.

Wofford's forward wall, led by tackle George Rice and guard Alf McGinnis, outplayed the opposing line, but the Terrier offense could never get rolling.

Halfback George Lawrence went over for the Wofford score. The diminutive speedster from Brooklyn, N. Y., carried on virtually every play as the Gold and Black marched for their lone touchdown.

Outstanding defenders along with Rice and McGinnis were guards Jeter Hammond, Evans Holland, tackle Weldon Burns and linebacker Jay Sentell.

## TERRIERS ROLL TO 22-6 WIN AGAINST STETSON ELEVEN

Scoring all their points in the first three periods, the Terriers romped to a 22-6 victory over the Stetson Hatters at Spartanburg.

The Wofford line, paced by tackle George Rice kept the Hatters in check with only 97 yards rushing during the evening, while the Gold and Black offense, moving almost at will, rolled up 198 yards on the ground and 95 through the air.

Fullback Joe Gobolos started the scoring for the Terriers when he snared a 22-yard pass from quarterback Charlie Jones in the end zone early in the opening quarter.

A two-yard plunge by halfback George Lawrence put Wofford two touchdowns ahead in the second period, and only the clock prevented another Terrier score, the half ending with Wofford on the one.

Another pass-play, this one from halfback Frank DePrete to end Weyland Burns, gave the Wofford eleven a third six-pointer.

Burns, after converting successfully the first two times, failed to get his last attempt through the crossbars.

End Jackie Sexton brought Stetson quarterback Frank Singletary down in the visitors' end zone later in the third quarter to complete the Terriers' scoring with a safety.

The Hatters' only TD came in the waning moments of the game on a five-yard plunge by halfback Bobby Parker.

## GREENE SHINES AS TERRIERS STILL FURMAN HURRICANES

Frank Greene, a 150-pound sophomore halfback, scored two touchdowns and ground out 120 yards as he sparked the home-standing Terriers to a 27-6 rout of Furman.

Carrying the ball 19 times, Greene out-rushed the entire Furman team which gained only 106 yards rushing.

Another sophomore halfback, Frank DePrete, registered Wofford's first score, slipping over from the six midway in the second period.

The Purple Hurricane got their first touchdown of the season a few moments later on a 30-yard pass-play from frosh quarterback Ray Bryant to halfback Norman Southern. A 49-yard kickoff return by Gus Pringle, Furman's other halfback had put the Purple Hurricane within easy striking distance.

Widening the narrow gap, Terrier guard Bob Capes blocked a punt by Pringle early in the third quarter at the Furman 20, and end Sam Maw fell on the loose ball in the end zone for Wofford's second score.

A Purple Hurricane fumble on the visitors' 23 recovered by end Weyland Burns set the stage for another Gold and Black touchdown. Greene raced over for this one from the 15.

Furman's second costly fumble came only a few plays later in their own end zone, giving the Terriers a safety.

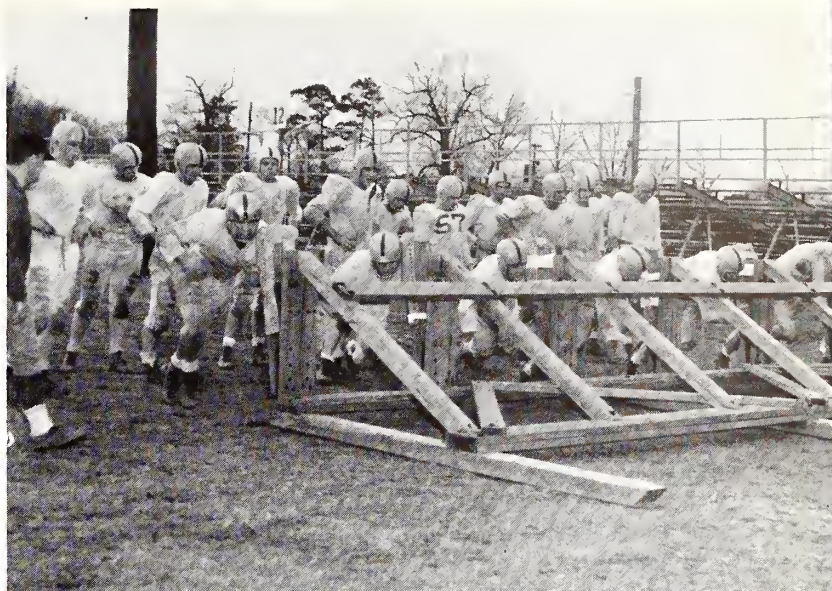

Greene also tallied the final six-pointer on a one-yard plunge.

Burns, brother and tackle Weldon, guards Alf McGinnis and Bob Capes, tackle George Rice and end Jackie Sexton were outstanding in the line for the Terriers.

**RUNNING OF INDIAN BACKS  
PROVE TOO MUCH IN LOSS**

Wofford defenders were unable to stop the running of Newberry's fleet backs as they suffered their second setback of the season 18-6 on Snyder Field.

Quarterback Danny Brabham and halfbacks Grady Ray and Paul Davis proved too much for the Terriers, piling up over 300 yards rushing.

The Gold and Black offense was sluggish and sputtered for only 134 total yards. Wofford's initial first down did not come until mid-way in the third quarter on a pass from quarterback Charlie Jones to George Lawrence. Over half of the Terriers' yardage came on passes.

Davis scored the Indians' first touchdown with only five minutes gone in the opening quarter on a 52-yard dash.

The second TD came later in the same period when Ray rambled over from the 13 behind some fine blocking by his Newberry teammates.

A 22-yard romp by fullback Jimmy Haseldon provided the Indians with their final score.

A Newberry fumble, recovered by end Weyland Burns on the visitors' 35, set up Wofford's lone six-pointer. Three passes by Jones, two to Burns, and two running plays, the last, a quarterback sneak from the one by Jones, moved the ball to pay dirt for the Terriers.

**TERRIERS UTILIZE PC FUMBLES FOR LITTLE THREE TRIUMPH**

Outgained 323 yards to 265, Wofford's football Terriers took advantage of six PC fumbles to register a 20-12 triumph in their Little Three meeting at Clinton. Playing before a crowd of 5,000, the Terriers overcame an early 6-0 deficit with two touchdowns in a span of four minutes during the second period.

Quarterback Charlie Jones tallied the first on a 57-yard run early in the quarter. On the Blue Hose's first play from scrimmage following the score, tackle George Rice fell on a Presbyterian fumble at the home eleven's 12. Halfback B. B. Stevens needed but two tries to carry over for Wofford's second touchdown.

PC added their second score in the waning minutes of the first half when quarterback Felder Cook capped a 70-yard drive with a seven-yard end run. Stevens blocked the PAT attempt leaving the Terriers with a 13-12 lead at halftime.

Wofford drove 75 yards to the Presbyterian five in the fourth quarter after a fumble stifled a PC touchdown march. The Blue Hose held for downs at the five, but the Terriers were not to be denied. A few plays after PC took over, fullback Joe Gobolos recovered a Presbyterian fumble on the 19. After Wofford moved to the one, end Jackie Sexton pounced on Stevens' bobble in the end zone for the score.

End Weyland Burns converted successfully twice for the Terriers.

Defensive standouts for Wofford during the night were linebacker Jay Sentell, end Jackie Sexton, and guard Alf McGinnis.

**TERRIER FORWARD WALL HALTS GUILFORD GROUND ATTACK IN HOMECOMING TILT**

Halfback B. B. Stevens, scoring two touchdowns and passing for another, led the Wofford Terriers to a 33-21 victory in their homecoming game against a stubborn Guilford eleven.

The Terriers trailed 14-7 at halftime as quarterback VanCuthrell's passing penetrated the Wofford defense continuously. The only Wofford score in the first half came on a 22-yard pass play from B. B. Stevens to end Weyland Burns.

A 15-yard dash up the middle by the Wofford back tied the game in the third quarter. Stevens had set up the score with another pass to Burns—this one good for 31 yards.

After halting a Quaker drive on their own 14, the Terriers moved 86 yards to pay dirt with Stevens as the sparkplug once again. The Spartanburg native climaxed the march with a 9-yard run, giving Wofford the lead for the first time during the afternoon.

On the first play following the ensuing kickoff, fullback Ronnie Burnette intercepted a Guilford pass and carried it to the Quaker nine. Two plays later Frank DePrete cracked over from the five. DePrete put the finishing touch on the win on a 38-yard fourth-quarter run up the middle.

Pacing the Terrier line, which yielded only 71 yards were ends Burns and Jackie Sexton, tackles Weldon Burns and George Rice, guards Alf McGinnis, Bob Capes and Evans Holland, and line-backer Ronnie Aughtry.

Miss Ann Ward, a Converse sophomore, was crowned Homecoming Queen during the halftime ceremonies by the 1954 queen, Miss Pegilee Price.

## TERRIERS LAUNCH POWERFUL GROUND GAME TO OVERCOME CADETS IN ANNUAL CLASSIC

Wofford, a tongue-in-cheek favorite against Coach Johnny Sauer's "new look" Cadets, soundly trounced The Citadel 27-7 in their annual game at the Oranegburg County Fair.

A crowd of 9,000 fans saw the Terriers avenge the 1954 14-13 loss at the hands of the cadets.

Quarterback Charlie Jones scored two of the Gold and Black touchdowns, one on an 18-yard end run and the other on a one-yard quarterback sneak. The Wofford co-captain put Wofford out in front with his first tally which came early in the opening quarter. His second came late in the final period after end Jackie Sexton had intercepted a Citadel pass and carried it to the one.

An unusual bit of ball-stealing resulted in the third Terrier touchdown. Reserve tackle Bryan Floyd grabbed the ball from cadet quarterback Bobby Miller at the Bulldog 20 and raced into the end zone for the score.

Carrying the ball on virtually every play, halfback Frank DePrete scored Wofford's other touchdown. "The bull" began his assault with runs of 9, 13, and 29 yards, and climaxed the march with a one-yard plunge into pay dirt.

The only Citadel score came in the last quarter on a one-yard pass play.

Standouts defensively for Wofford were end Jerry Richardson, fullback Joe Gobolos, tackle George Rice, and guard Alfred McGinnis.

TO THE VICTOR GOES THE SPOILS—Co-Captain Alf McGinnis leaves field with game ball.

SECOND QUARTER PASS from B. B. Stevens to Weyland Burns falls incomplete.

**FUMBLES COSTLY TO TERRIERS IN CATAWBA TILT PLAYED IN GAFFNEY**

In the first college football game ever played in Gaffney, S. C., the Catawba Indians turned three Wofford fumbles into touchdowns and a 20-6 victory.

The Terriers took the lead in the game, but three fumbles, all inside the Wofford 40, enabled the Indians to score in each of the last three periods.

Halfback Frank DePrete scored the losing eleven's only touchdown, bulling over from the one. That tally was also set up by a miscue.

Wofford's only other real threat came in the third period when the Terriers marched to the Catawba five from their own thirty-five, but a field goal attempt from the 12 missed.

The passing of quarterback Charlie Jones sparked a drive late in the game by the Terriers, but after moving from their own 42, the Wofford eleven lost the ball on downs at the Catawba nine.

Gaining 139 yards on the ground, the Terriers outrushed the Indian backfield by 20 yards, but the winners almost doubled the 88 yards passing compiled by Wofford.

Tackle Weldon Burns, who recovered the Catawba fumble that set up Wofford's lone touchdown, and co-captain Alf McGinnis were the stalwarts of the Terrier forward wall.

## TERRIERS UNLASH TREMENDOUS OFFENSE TO CONQUER DAVIDSON

Wofford avenged a 3-0 setback suffered in 1954 with a 21-9 drubbing of the Davidson Wildcats on their home grounds.

Halfback Frank DePrete tallied two of the Terriers touchdowns, one on an eight-yard scamper in the second period and the other on a seven-yard jaunt in the final quarter. His running mate B. B. Stevens pushed over from the three in the third period for Wofford's other score, while end Weyland Burns added all three extra points.

Davidson drew first blood in the battle on an eight-yard field goal by quarterback Dick Belton in the opening quarter, but the lead melted away for good following DePrete's initial touchdown.

The two scores by DePrete gave the sophomore halfback the scoring championship of the state, upping his production to 46.

A crowd of 4,500 fans watched the Terriers as they reeled off a total of 416 yards in rolling to their third victory of the season against Southern Conference members. Wofford threatened to make the triumph even more decisive when sub-quarterback Archie Harrelson and end Jerry Richardson teamed up to take the ball to the Wildcat nine from the Terrier 44, but time ran out.

Weyland Burns, twin brother Weldon, George Rice, and co-captain Alf McGinnis sparked the Wofford defense which held Davidson thrice inside the Terrier 25.

### LAST QUARTER FIELD GOAL WINS FINALE FOR MAROONS

A fourth-quarter field goal by Eastern Kentucky fullback Ernie Rigrish ended Wofford's grid season on a sour note as the Maroons nipped the Terriers 3-0.

Six fumbles lost by Wofford, who outgained the Kentucky eleven 269 yards to a 119, made the difference in the hard-fought struggle. The Terriers rolled to 14 first downs against 7 for the Maroons, but despite their statistical superiority they could not score.

Following Rigrish's field goal, Wofford started a sustained drive from their own 11-yard line with freshman quarterback Archie Harrelson at the helm. With halfbacks B. B. Stevens and Frank DePrete carrying the brunt of the attack the Terriers moved to the 26-yard line of Eastern Kentucky, but there the march bogged down.

DePrete had gotten off the longest run of the game in the second period when he dashed 61 yards to the Maroon 14. A fumble on the 11, however, ended that threat.

Wofford captain Alf McGinnis, playing his last game for the Gold and Black, was forced to leave the game in the second quarter because of a torn shoulder muscle.

Others playing their last game for Wofford were tackle Weldon Burns, B. B. Stevens, fullback Joe Gobolos, end Sam Maw, halfback George Lawrence and fullback Jim Moseley.

Burns, Gobolos, center Jay Sentell and junior guard Evans Holland were the outstanding defensive performers for the Terriers during the night.

HERE HE GOES again. This time for a 10-yard gain during the same drive.

## The Cagers

Since the departure of Wofford's Little All-American center, "Daddy" Neal, in 1953, the basketball picture has been poor to fair. But with ten returning lettermen on the roster this year things are looking up.

Coach Joel Robertson, in his tenth year as Terrier cage mentor, has been pointing to this season for the past two years. Losing only one man, Captain Paul Reinartz, from last year's team, the by-words for the Terriers this year are experience, speed, and hustle.

Taking a look at the cage schedule for 1955-56 we see that the Terriers have before them one of the toughest ever. With such teams as Florida, South Carolina, Furman, Georgia Teachers, Presbyterian, and Erskine on the agenda, the team will be hard pushed on many occasions. The traditional Terrier scrap will come in handy.

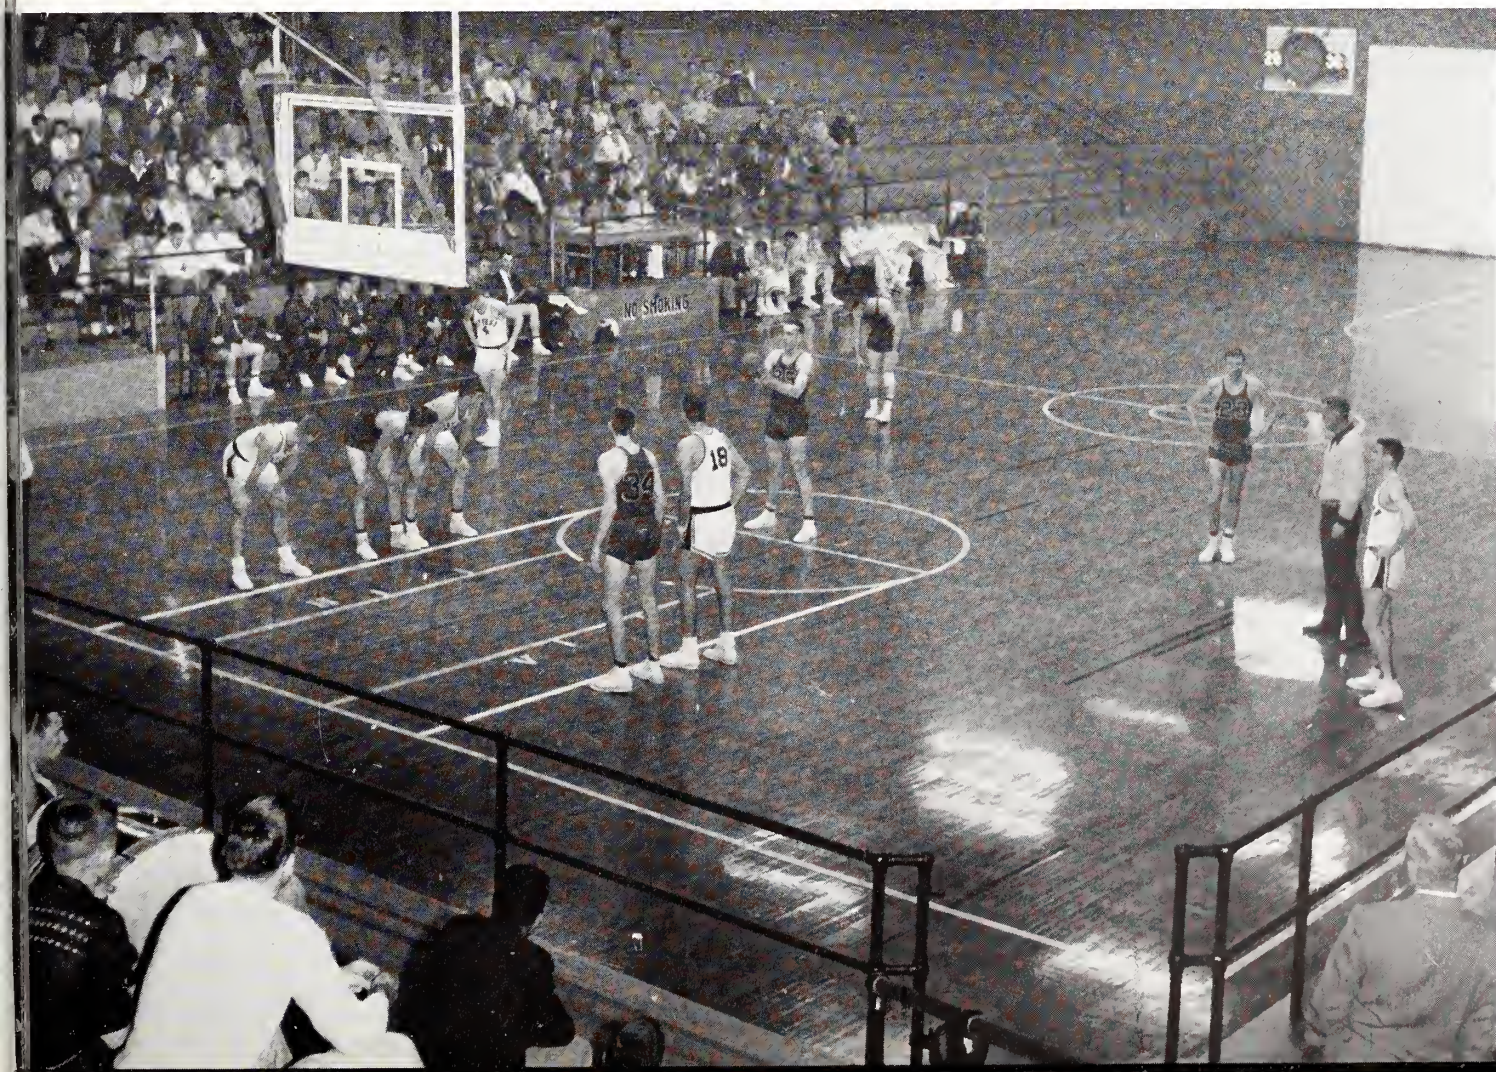

This year's cage group is co-captained by Dennis Mathis and Donnie Fowler.

## The Terrier Nine

Under the guidance of Coach Jim Brakefield, a building program has been carried on with the main object of giving Wofford its best baseball team in the history of the school.

Building around seven four-year men, the team is expected to finish the season with a brilliant record. Of these seven, three are All-Staters, Co-Captains Walt Sessoms and Russell King, and Second Baseman Bennie Koon.

Coach Brakefield's nine face a rugged schedule this season with such teams as Tennessee, Georgia, Mercer, Furman, The Citadel, and Newberry appearing on the schedule.

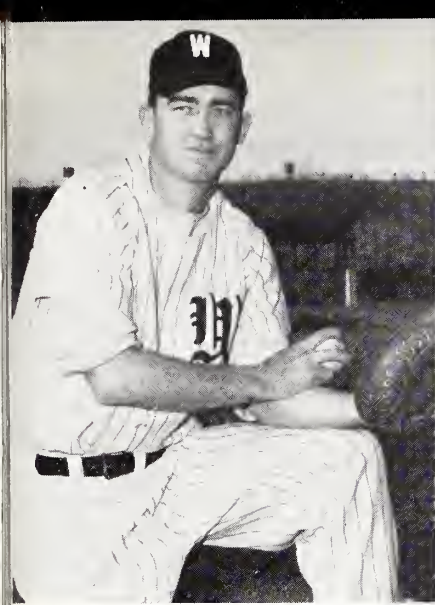

This year the Terriers boast the best infield in the state and one of the better pitching staffs. Along with this combination, the Terriers have a very fine fielding outfield.

The Terriers find they have a very fine Manager in Senior Billy "Fuzz" Galloway.

## Tennis

With Jim Bailey, 1955's number one man, assuming the coaching responsibilities, the 1956 Terrier netmen showed marked improvement.

Although several valuable participants were lost via the graduation route, an experienced crop of returnees, plus some talented newcomers, picked up the slack and kept the Terriers among the State's finest in Tennis.

Seeing most of the action this year were Dale Warner, Lee Mays, Frank Austell, Tommy Wilkes, Joe Davis, John Coleman, and Tunky Woodham.

Wofford's net schedule for the season included teams from Davidson, University of South Carolina, Presbyterian, College of Charleston, The Citadel, Erskine, and Furman.

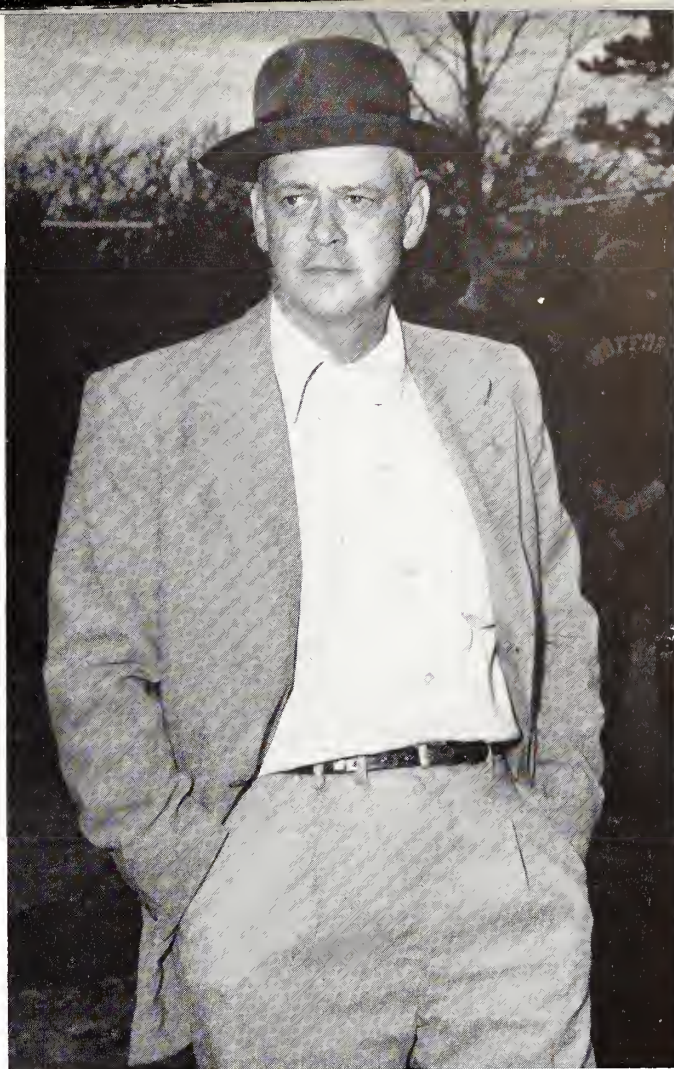

# Track

Track, only recently resumed at Wofford, was coached by Bill McCarren. Unfortunately, in quite a few instances the competition proved a bit rough for the game but green Terriers.

Top winner for the Terriers was high jump specialist Jackie Sexton, who came through for "his share and more" of Wofford's total meet-points.

During this Spring, the Terriers competed in five meets—two in this state against Furman and The Citadel, two in Georgia against Emory and Mercer, and the annual State Meet in Clinton, S. C.

Even though the trackmen are at least a year or two away from "great things", it is hoped that more interest can be stimulated in the sport, and the Terriers will eventually be able to send a stronger entry to the State Meet.

## Golf

The Wofford "linkers" under coaches Joel Robertson and Luther Glenn improved slightly over last year's team.

Returning lettermen Reddick Still, Jack Hawkins, and Marcus Huff were the big men this year on a team that was fighting to regain prominence in South Carolina golf circles.

Possibly next year the Terriers will hit the winning stride. A trio of this year's freshmen are expected to come into their own and make things rough for 1957 opponents.

All home matches were played on the Spartanburg Country Club links. The Golf schedule included the following teams: The Citadel, Clemson, Presbyterian, Furman, Davidson, Newberry, and South Carolina. The Golfers from Wofford also participated in both the State Intercollegiate Tournament and the Southern Tournament.

# Swimming

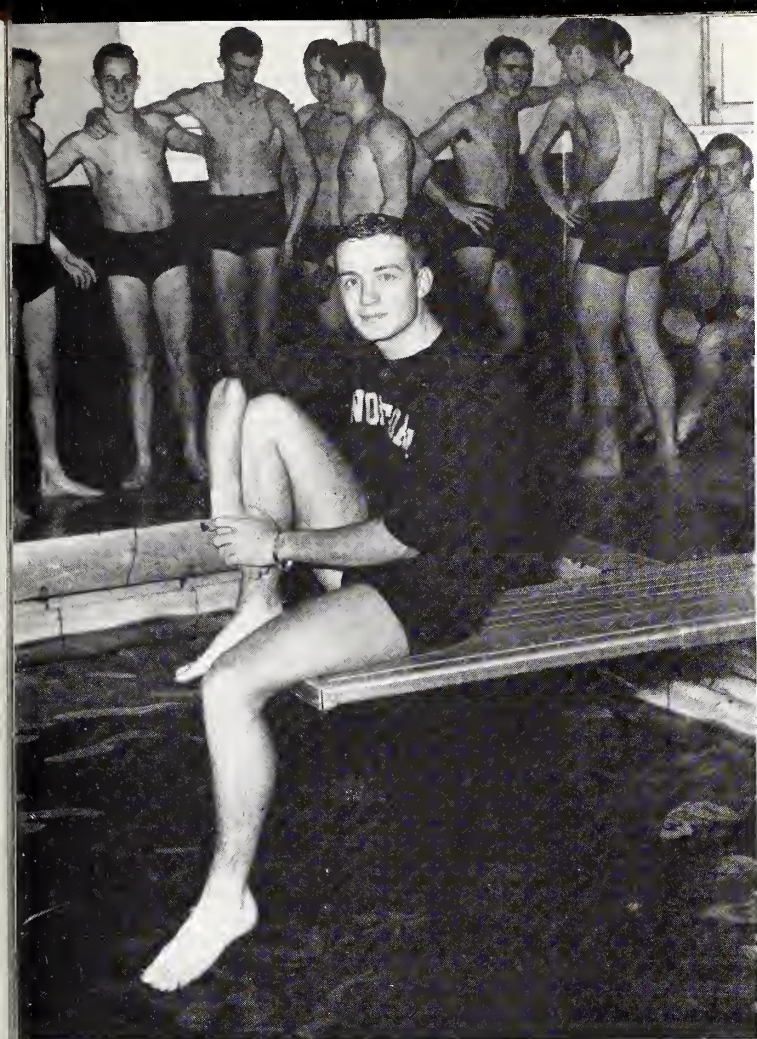

The Wofford Swimming team completed their third year as an intercollegiate sport, and this year's squad showed considerable improvement over the teams of the past two years.

Though handicapped by no swimming facilities on campus, the Terrier Tankmen made it rough sailing for all their opponents. The Swimmers showed up well in the dashes, distances, and relays.

The aquatic team, coached by veteran Bill Penny, used the Spartanburg Y. M. C. A. for both practices and home contests.

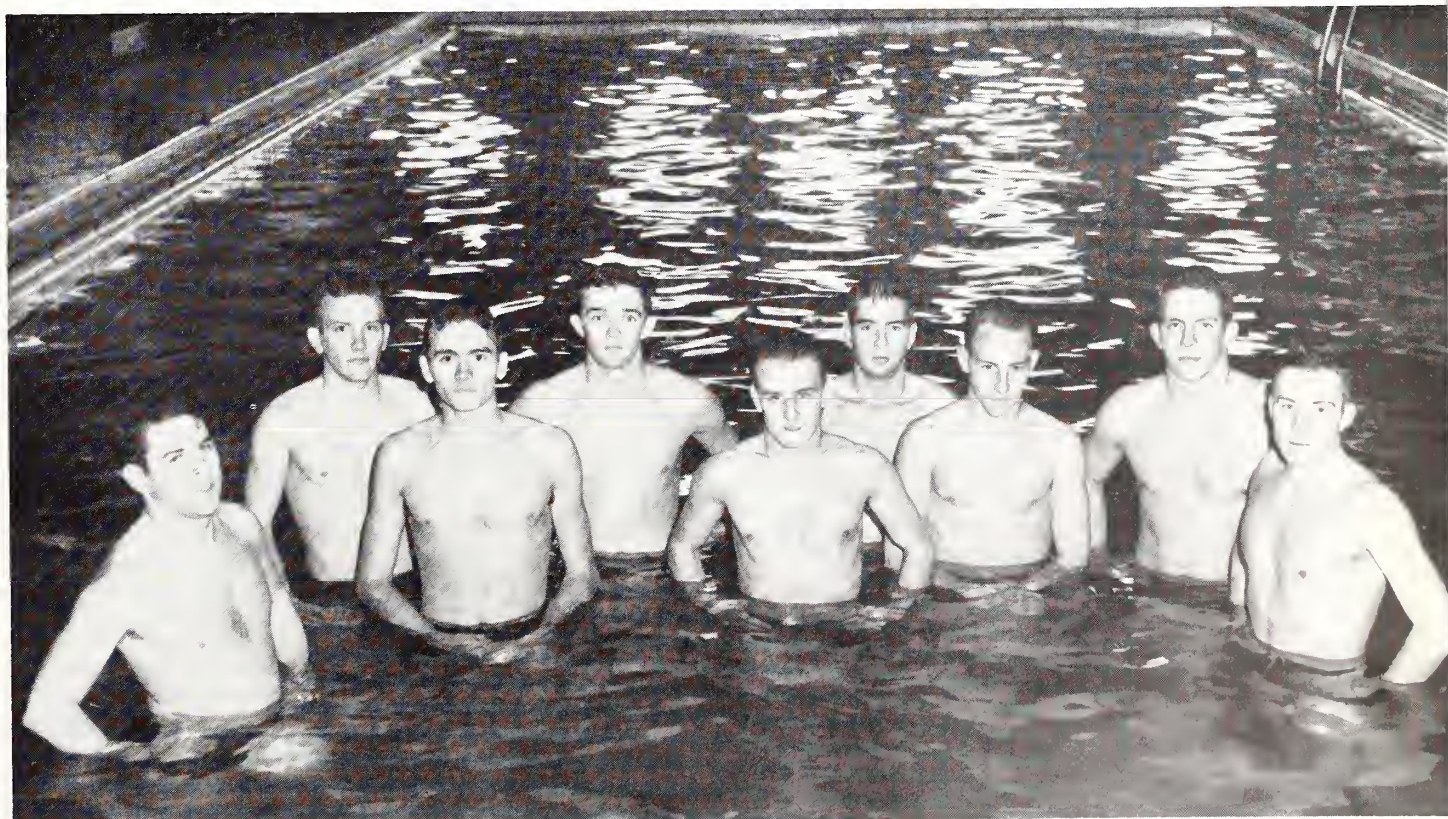

Tom Summers, captain of the team for the second consecutive year, led the Tankmen in their five contests.

Wofford looks forward to the time when she will have proper facilities for a Swimming Team and can put forth a team which will do full credit to the school.

# Intramurals

The Intramural program at Wofford, directed by Coach W. W. Scheerer and "Skeeter" Richardson, again ranked high among other colleges and universities throughout the nation. Its wide variety of activities—football to ping-pong—enables every student who is interested in any area of sports to participate. The seven social fraternities, the dormitory teams, and the day students battled from September to May for the coveted Intramural Trophy. Prizes and certificates were awarded to the winners of individual competition.

The competition in team and individual activities reached a new high this year, and the race for the All-Year Championship was nip-and-tuck all the way.

## The Battalion

The Wofford College Reserve Officer Training Corps under the leadership of Colonel Raymond V. Bottomly, Jr., is a voluntary organization consisting of over 300 students. The purpose of this organization is to develop leadership and command ability and to train students to become future officers in the United States Army. This is done through classes in Military Science and the weekly drill period and, in addition to these, between their junior and senior years R. O. T. C. students attend a session of summer camp.

For many years now the R. O. T. C. unit at Wofford has been training men to take their place in the Army of the United States, thus, contributing to the defense of our nation and the preserving of freedom in our world.

The strength of the company is fifty-eight men.

# The Drill Team

Under the command of Cadet Eldred Toole, this year's Drill Team has performed creditably in the name of Wofford and the Military Department.

Early in the first semester the group was organized; however, a number of unforeseen setbacks stopped the team from making any public performance until the final football game of the season. Between the close of football and the end of the semester Toole's outfit did make a number of public showings in parades, both in Spartanburg and neighboring towns.

This year's team has been somewhat handicapped by inexperience—a good part of the group being freshmen. Hopes are expressed by Toole that the practice given these frosh will aid in building an even better team next year.

**THE BREAK**, shown above, has little to do with the Drill Team—but there are those who look upon this period as the most enjoyable part of military.

**STANDING SMARTLY** at rigid attention are CADET LT. ELDRED TOOLE and his "Knights of the Blue Scarf".

TWO "KUHN'LS" have a friendly little chat on the subject of morale, "state of the union", and such.

SERGEANT LEWIS gives the men a lecture on military courtesy — some people don't even know when it's time for the break.

WEST POINT, we are told, is noted for its "long gray line". Wofford has a "line", too.

BELIEVE IT OR NOT, gentleman, us cadets ain't the only ones that enjoy those ten-minute breaks.

## FRATERNITIES

FERGUSON (DSP), BELL (ASP), LAWSON (KS), DURHAM (PKP), MEEK (SAE), SMITH (KA), TUNNO (*President*), HAMILTON (*Secretary*), NEVES (PKA).

## The Inter-Fraternity Council

The Inter-Fraternity Council functions each year to coordinate the activities of Wofford's seven social frats, and to provide the needed rules and regulations for conduct.

In accordance with precedent, the IFC supervised the 1955-56 Rush Season during the latter part of the fall semester. Happily, there were no violations of the Rush Code, and the job was comparatively easy.

Also during the fall, the IFC again sponsored the annual Homecoming Ball.

The most outstanding success of this year's Inter-Frat group was, of course, the establishing of a Lodge System. The lodges, one for each of the seven nationals, are at present in construction directly behind Greene Hall, and are slated for completion around June 1st.

Bill Tunno of Sigma Alpha Epsilon served as the very able president of the Council.

## Alpha Sigma Phi

The Phi Beta Chapter of Alpha Sigma Phi Social Fraternity was established at Wofford in 1940.

As has been the case in years past, the Alpha Sigs had more than a passing interest in the progress of Wofford's football season, and more specifically, in the accomplishments of their own "Big George" Rice—recipient of the Jacobs Blocking Trophy.

The 1955-56 Rush was considered by all the Betas to be a great success.

The events of the social year, the Talisman Ball and a number of weekend parties, were greatly enjoyed by the chapter.

The Alpha Sigs congratulate the IFC on the fine job done in establishing a lodge system for the seven frats.

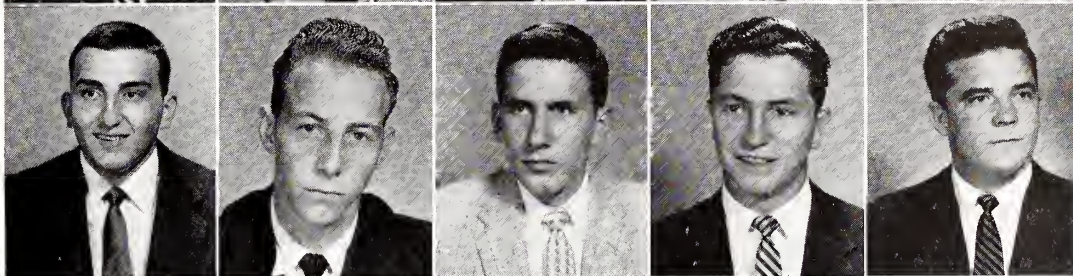

Cobb Bell and Don Reeder served as presidents for the 1st and 2nd semesters.

## Delta Sigma Phi

The Delta Sigma Phi Social Fraternity was founded in 1899 at the City College of New York. Psi Chapter here at Wofford was established in 1916.

Under the supervision of Advisor W. E. Buice, the chapter has enjoyed during 1955-56 one of its most successful years. Rush Season, held in late November, gave the Delts "their share and then some" of the frat material in the Freshman Class. The social year, including the traditional "Steak and Mush" Supper, the Sailors' Ball, and numerous smaller parties, was generally accorded first rate.

During the Spring of the year, the chapter spent a good deal of time preparing for the move into the new lodge.

Marcus Huff served as fraternity president.

## Kappa Alpha

Delta Chapter of the Kappa Alpha Order was established at Wofford in 1869. The Order itself was earlier founded at Washington and Lee College.

A successful Rush Season added to the ranks of Kappa Alpha to give a grand total of 46 KA's on campus; 25 of them brothers.

Service toward others was the theme as the chapter sponsored a clothes drive for orphans, and a Christmas party for underprivileged children.

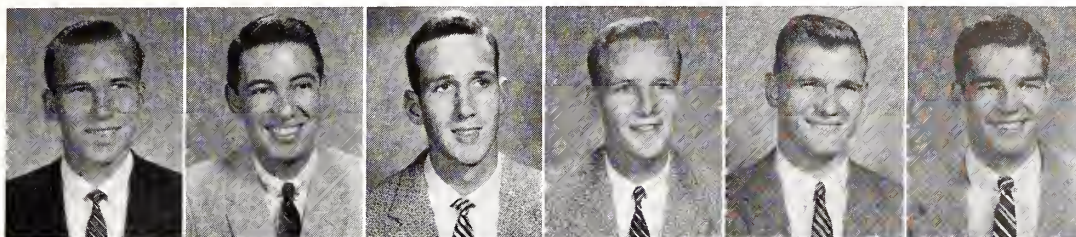

Socially, the KA's, along with the other state chapters, convened in Columbia on March 24 for the annual Old South Ball. Climax to the year's festivities was the banquet and dance at the Farmers Ball.

The chapter sends its thanks to the local alumni for the help given in furnishing the new lodge.

Bob Jennings served as No. 1 for the year.

## Kappa Sigma

The Alpha Nu Chapter of Kappa Sigma was established here in the year 1894. The Fraternity was founded nationally in 1869 at the University of Virginia.

The November Rush, one of the most successful, netted the chapter a grand total of 24 pledges.

Planning and preparing for the move from Cleveland Street to the new lodge required a good deal of the chapter's time all during the year.

From the standpoint of service and social activities, Alpha Nu came through in her usual fine form. The annual Christmas Party for the underprivileged children in the Spartanburg area was held just prior to the holidays, with S. Claus in all his splendor. The year's major social event was the Stardust Weekend on March 16th and 17th.

Les Howard and Rut Lawson served as presidents for the two semesters. T. B. Thackston is chapter advisor.

## Pi Kappa Alpha

Nu Chapter of Pi Kappa Alpha capped Rush Season with the pledging of 18 men.

During the year, the PiKA's won the Student Christian Association's Organizational Trophy both semesters and first place in the Homecoming Float Contest for the second consecutive year.

Just before the close of the first semester, the National President, Executive Secretary, and Field Secretary visited the chapter and were entertained at the Spartanburg Country Club.

The highlight of the social functions for the year was the Dream Girl Banquet and Dance on April 21st.

Nu Chapter members hold offices in the Ministerial Union, all three publications, Student Body, various classes, S. C. A., Glee Club, and are represented in Blue Key, debate team, football and basketball, Pi Gamma Mu and Scabbard and Blade.

Richard Howle and Wallace Culp served as fraternity presidents.

## Pi Kappa Phi

Zeta Chapter of Pi Kappa Phi was established at Wofford in 1911.

Under the supervision of faculty advisor W. W. Sheerer, the Pi Kapps finished a fine Rush with the acquisition of 17 pledges.

The fraternity apartment was redone with an oriental motif to make the surroundings more pleasant until the new lodge was finished.

Concerning the social life—the annual “Steak and Mush” Supper was held at the Elks Club this year immediately following Rush Season, the year was climaxed by the Pi Kappa Phi Rose Ball on April 13th, and numerous weekend parties were enjoyed.

Bill Evins and Keith Johnson served as presidents for the fraternity during the 1st and 2nd semesters.

## Sigma Alpha Epsilon

The lions of South Carolina Gamma roared triumphantly on the Wofford campus in this 100th year for the national fraternity.

Under the leadership of E. A. Weyland Burns and Rush Chairman Evans Holland, the Sig Alphas conducted a first-rate Rush, netting 26 pledges.

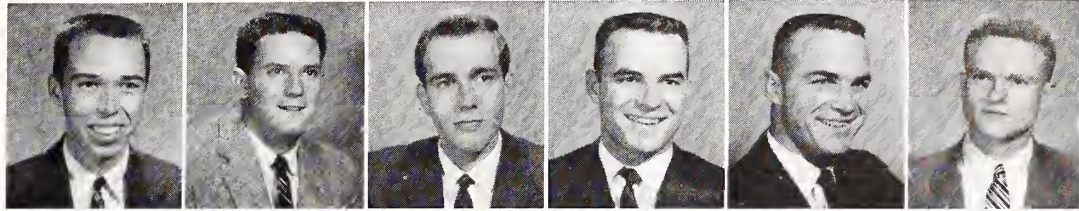

The annual Founder's Day Banquet and Sweetheart Ball on March 9th and 10th set the S. A. E.'s a new high of enjoyment for their big weekend. The highlight of the banquet was a national broadcast of the Centennial Celebration from Tuscaloosa, Alabama, along with speeches from Brothers and Alumni among the more than 200.

The Alumni Chapter in Spartanburg was active throughout the year assisting in the fund raising drive for furnishing the new lodge.

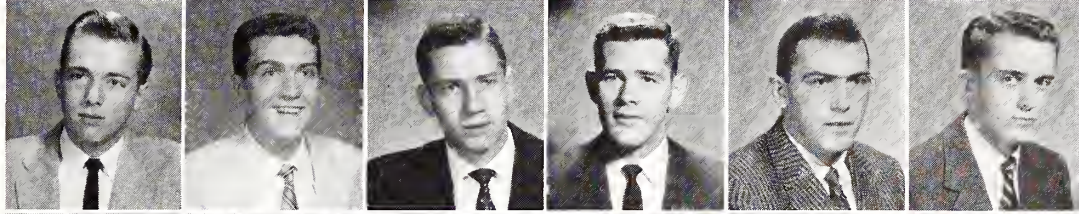

Sonny Hamilton served as fraternity president for the 2nd semester.

# Miss Jeanne Lawson

## MISS BOHEMIAN

AS SELECTED BY

*Miss Miriam Stevenson*

Miss Jeanne Lawson is a comely blonde young lady hailing from Sumter, South Carolina. She is presently a sophomore at Columbia College, majoring in English Literature.

Jeanne is sponsored by Rut Lawson.

*Miss  
Mary Anne Griffin*

Claiming Coral Gables, Florida, as her home, Miss Mary Anne Griffin is our choice for the prettiest freshman at Florida State University. She is majoring in Secretarial Science.

Mary Anne is sponsored by Bob Clyburn.

*Miss  
Elodie Holcombe*

A native of Wofford's hometown, and daughter of the Mayor, Miss Elodie Holcombe is a sophomore at Randolph-Macon College in Ashland, Virginia. English is the major of this petite Southern Belle.

Elodie is sponsored by Harry Wallace.

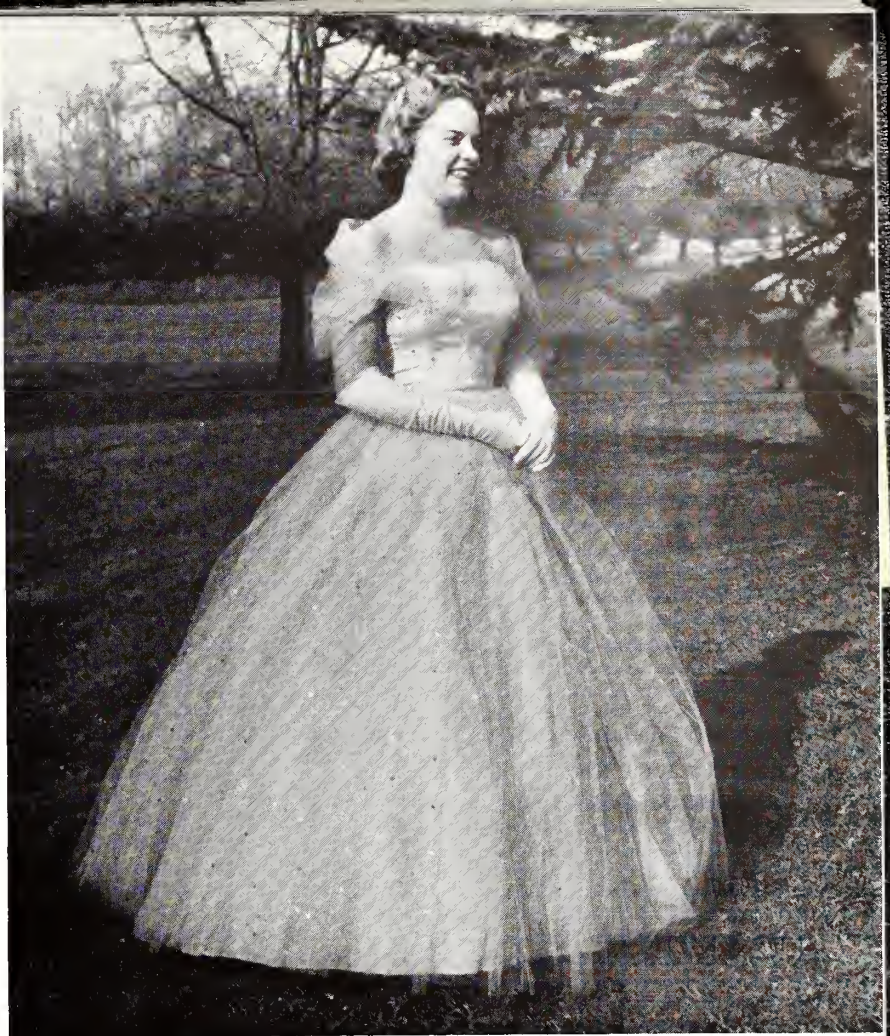

## *Miss Pegilie Price*

Miss Pegilie Price, the only senior in our array of beauties, makes her home in Barnwell, South Carolina. Being, we would gather, something of an intellectual for a pretty girl, she is a History major.

Pegilie is sponsored by Ted Walter.

## *Miss Ann Ward*

Miss Ann Ward of Converse College, this year's Homecoming Queen, has the distinction of being the first queen in recent years to be elected by the vote of student judges. The charming young Miss from Rock Hill, South Carolina, is a sophomore majoring in Sociology.

Ann is sponsored by Reddick Still.

## The Classes

REED SWANN, *Secretary*; CHARLES COKER, *Historian*,  
HARRY WALLACE, *President*; "SKEETER" RICHARDSON,  
*Treasurer*; TOBY DAVIS, *Vice-President*.

## The Seniors

With the face of Wofford continually changing, we, the class of '56, can look back and feel that we have had a significant part in Wofford's most progressive era. The fund raising campaign was greatly aided by the senior members of the Glee Club. The impressive records of the athletic teams during our four years were due, to a great extent, to members of the class of '56.

We are proud of the leadership shown by our members in student activities, notably in the field of publications. A reflection of the abilities of the class is shown by the large number of fourth-year men in Blue Key.

As we look back over our four years at Wofford, we remember the many experiences of our college days, but we must brush aside the curtain of reminiscence and see ourselves projected as potential leaders on the screen of the future.

## The Juniors

Having completed our third phase of college life, we are eager to embark on our fourth, and perhaps most important year. There had been entrusted to us the senior responsibility and dignity of Wofford.

The class of '57 has been very active in all campus functions. The athletic teams, the social organizations, the honorary groups, and the musical institutions have been made much better by the presence of many members of the junior class.

There are many experiences to which this class may look forward with eagerness. The achievement of scholastic honors, honorary awards, R. O. T. C. summer camp, and ultimately graduation.

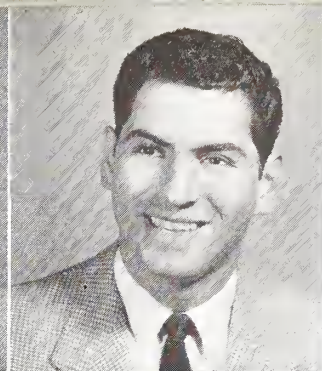

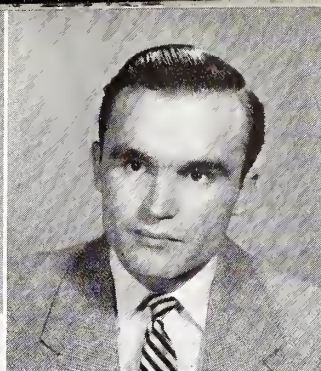

We only hope that we can meet this challenge that has been given us, and that we will be as successful next year as we have been in the past.

## The Sophomores

After returning from our summer vacation, we realized that our role as a freshman had ceased, and that we were to assume the responsibilities our sophomore year had to offer us. We felt by this time that we really knew what college life was all about. However, as soon as we began filling out major sheets, we found ourselves more confused than ever.

One of our most important "tasks" was preparing the freshmen to become Wofford Gentlemen. We began taking our places in the campus organizations and preparing ourselves to become the future leaders of Wofford.

## The Freshmen

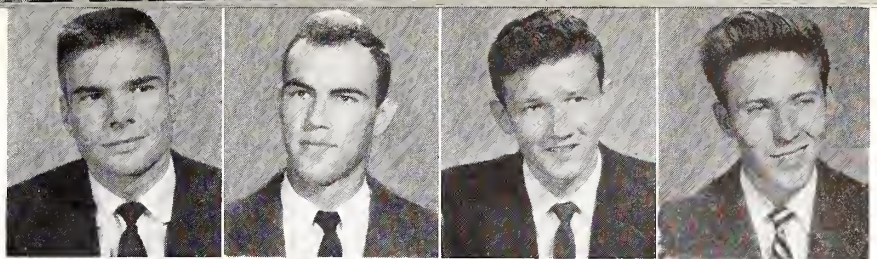

Life at Wofford seemed strange at the start, but with the passing of days into weeks and weeks into months, that sense of not belonging disappeared. Strong friendships were formed, that old feeling of nostalgia for home disappeared, or at least didn't bother us as much. The memories of high school days seemed to fade like "old soldiers" in our minds, and the frequent trips to Converse, Limestone, Columbia, and Winthrop took over where the girls from home had left off—well, for most of us anyway.

Rush season, bull sessions, our first college exams, those all-night dates with the books, and last, but not least, our little visits to the Dean's office will always be remembered as a part of our freshman year.
